(1) Dalmore Group, LLC (the “BOR” or “Dalmore”) will be acting as a broker of record and entitled to a Brokerage Fee as reflected herein and described in greater detail under “Plan of Distribution and Subscription Procedure – Broker” and “– Fees and Expenses” for additional information.

(2) We expect to engage a broker-dealer to act as custodian of interests and hold brokerage accounts for interest holders in connection with the Company’s offerings (the “Custodian”). It is anticipated that the Custodian will be entitled to a Custody Fee as reflected herein and described in greater detail under “Plan of Distribution and Subscription Procedure – Custodian” and “– Fees and Expenses” for additional information.

(3) No underwriter has been engaged in connection with the Offering (as defined below) and neither the BOR, nor any other entity, receives a finder’s fee or any underwriting or placement agent discounts or commissions in relation to any Offering of Interests (as defined below). We intend to distribute all offerings of membership interests in any series of the Company principally through the Rally Rd.™ platform and any successor platform used by the Company for the offer and sale of interests, the “Platform”, as described in greater detail under “Plan of Distribution and Subscription Procedure” for additional information.

RSE Archive, LLC, a Delaware series limited liability company (“we,” “us,” “our,” “RSE Archive” or the “Company”) is offering, on a best efforts basis, a minimum (the “Total Minimum”) to a maximum (the “Total Maximum”) of membership interests of each of the following series of the Company, highlighted in gray in the “Master Series Table” section. Series not highlighted in gray have completed their respective offerings at the time of this filing and the number of interests in the table represents the actual interests sold. The sale of membership interests is being facilitated by the BOR, a broker-dealer registered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and member of FINRA and is registered in each state where the offer or sales of the Interests will occur. It is anticipated that Interests will be offered and sold only in states where the BOR is registered as a broker-dealer. For the avoidance of doubt, the BOR does not and will not solicit purchases of Interests or make any recommendations regarding the Interests to prospective investors.

All of the series of the Company offered hereunder may collectively be referred to herein as the “Series” and each, individually, as a “Series”. The interests of all Series described above may collectively be referred to herein as the “Interests” and each, individually, as an “Interest” and the offerings of the Interests may collectively be referred to herein as the “Offerings” and each, individually, as an “Offering.” See “Description of the Interests Offered” on page 129 of the Offering Circular dated October 15, 2019 for additional information regarding the Interests.

The Company is managed by RSE Archive Manager, LLC, a Delaware limited liability company (the “Manager”). The Manager is a single-member entity owned by RSE Markets, Inc. (“RSE Markets”).

It is anticipated that the Company’s core business will be the identification, acquisition, marketing and management of memorabilia and collectible items, collectively referred to as “Memorabilia Assets” or the “Asset Class,” for the benefit of the investors. The Series assets referenced in the

“**Master Series Table**” section may be referred to herein, collectively, as the “Underlying Assets” or each, individually, as an “Underlying Asset.” Any individuals, dealers or auction company which owns an Underlying Asset prior to a purchase of an Underlying Asset by the Company in advance of a potential offering or the closing of an offering from which proceeds are used to acquire the Underlying Asset may be referred to herein as an “Asset Seller.” See “**Description of the Business**” on page 29 for additional information regarding the Asset Class.

RSE Markets will serve as the asset manager (the “Asset Manager”) for each Series of the Company and provides services to the Underlying Assets in accordance with each Series’ asset management agreement.

This Offering Circular describes each individual Series found in the “**Master Series Table**” section.

The Interests represent an investment in a particular Series and thus indirectly the Underlying Asset and do not represent an investment in the Company or the Manager generally. We do not anticipate that any Series will own any assets other than the Underlying Asset associated with such Series. However, we expect that the operations of the Company, including the issuance of additional Series of Interests and their acquisition of additional assets, will benefit Investors by enabling each Series to benefit from economies of scale and by allowing Investors to enjoy the Company’s memorabilia and collectibles collection at the Membership Experience Programs.

A purchaser of the Interests may be referred to herein as an “Investor” or “Interest Holder.” There will be a separate closing with respect to each Offering (each, a “Closing”). The Closing of an Offering will occur on the earliest to occur of (i) the date subscriptions for the Total Maximum Interests for a Series have been accepted or (ii) a date determined by the Manager in its sole discretion, provided that subscriptions for the Total Minimum Interests of such Series have been accepted. If Closing has not occurred, an Offering shall be terminated upon (i) the date which is one year from the date such Offering Circular or Amendment, as applicable, is qualified by the U.S. Securities and Exchange Commission, or the “Commission”, which period may be extended with respect to a particular Series by an additional six months by the Manager in its sole discretion, or (ii) any date on which the Manager elects to terminate the Offering for a particular Series in its sole discretion.

No securities are being offered by existing security-holders.

Each Offering is being conducted under Tier II of Regulation A (17 CFR 230.251 et. seq.) and the information contained herein is being presented in Offering Circular format. The Company is not offering, and does not anticipate selling, Interests in any of the Offerings in any state where the BOR is not registered as a broker-dealer. The subscription funds advanced by prospective Investors as part of the subscription process will be held in a non-interest-bearing escrow account with Atlantic Capital Bank, N.A., the “Escrow Agent”, and will not be commingled with the operating account of the Series, until, if and when there is a Closing with respect to that Series. See “**Plan of Distribution and Subscription Procedure**” and “**Description of Interests Offered**” on page 129 of the Offering Circular dated October 15, 2019 for additional information.

A purchase of Interests in a Series does not constitute an investment in either the Company or an Underlying Asset directly, or in any other Series of Interest. This results in limited voting rights of the Investor, which are solely related to a particular Series, and are further limited by the Limited Liability Company Agreement of the Company (as amended from time to time, the “Operating Agreement”), described further herein. Investors will have voting rights only with respect to certain matters, primarily relating to amendments to the Operating Agreement that would adversely change the rights of the Interest Holders and removal of the Manager for “cause”. The Manager and the Asset Manager thus retain significant control over the management of the Company, each Series and the Underlying Assets. Furthermore, because the Interests in a Series do not constitute an investment in the Company as a whole, holders of the Interests in a Series are not expected to receive any economic benefit from, or be subject to the liabilities of, the assets of any other Series. In addition, the economic interest of a holder in a Series will not be identical to owning a direct undivided interest in an Underlying Asset because, among other things, a Series will be required to pay corporate taxes before distributions are made to the holders, and the Asset Manager will receive a fee in respect of its management of the Underlying Asset.

This Offering Circular contains forward-looking statements which are based on current expectations and beliefs concerning future developments that are difficult to predict. Neither the Company nor the Manager or Asset Manager can guarantee future performance, or that future developments affecting the Company, the Manager, the Asset Manager, or the Platform will be as currently anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. Please see “**Risk Factors**” on page 18 of the Offering Circular dated October 15, 2019 and “**Cautionary Note Regarding Forward-Looking Statements**” on page 6 of the Offering Circular dated October 15, 2019 for additional information.

There is currently no public trading market for any Interests, and an active market may not develop or be sustained. If an active public or private trading market for our securities does not develop or is not sustained, it may be difficult or impossible for you to resell your Interests at any price. Even if a public or private market does develop, the market price could decline below the amount you paid for your Interests.

The Interests offered hereby are highly speculative in nature, involve a high degree of risk and should be purchased only by persons who can afford to lose their entire investment. There can be no assurance that the Company’s investment objectives will be achieved or that a secondary market would ever develop for the Interests, whether via the Platform, via third party registered broker-dealers or otherwise. Prospective Investors should obtain their own legal and tax advice prior to making an investment in the Interests and should be aware that an investment in the Interests may be exposed to other risks of an exceptional nature from time to time. See the “Risk Factors” section on page 18 of the Offering Circular dated October 15, 2019.

GENERALLY, NO SALE MAY BE MADE TO YOU IN ANY OFFERING IF THE AGGREGATE PURCHASE PRICE YOU PAY IS MORE THAN 10% OF THE GREATER OF YOUR ANNUAL INCOME OR NET WORTH. DIFFERENT RULES APPLY TO ACCREDITED INVESTORS AND NON-NATURAL PERSONS. BEFORE MAKING ANY REPRESENTATION THAT YOUR INVESTMENT DOES NOT EXCEED APPLICABLE THRESHOLDS, WE ENCOURAGE YOU TO REVIEW RULE 251(d)(2)(i)(C) OF REGULATION A. FOR GENERAL INFORMATION ON INVESTING, WE ENCOURAGE YOU TO REFER TO [HTTP://WWW.INVESTOR.GOV](http://www.investor.gov).

NOTICE TO RESIDENTS OF THE STATES OF TEXAS AND WASHINGTON:

WE ARE LIMITING THE OFFER AND SALE OF SECURITIES IN THE STATES OF TEXAS AND WASHINGTON TO A MAXIMUM OF \$5 MILLION IN ANY 12-MONTH PERIOD. WE RESERVE THE RIGHT TO REMOVE OR MODIFY SUCH LIMIT AND, IN THE EVENT WE DECIDE TO OFFER AND SELL ADDITIONAL SECURITIES IN THESE STATES, WE WILL FILE A POST-QUALIFICATION SUPPLEMENT TO THE OFFERING STATEMENT OF WHICH THIS OFFERING CIRCULAR IS A PART IDENTIFYING SUCH CHANGE.

The United States Securities and Exchange Commission does not pass upon the merits of or give its approval to any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering circular or other solicitation materials. These securities are offered pursuant to an exemption from registration with the Commission; however, the Commission has not made an independent determination that the securities offered are exempt from registration. This Preliminary Offering Circular shall not constitute an offer to sell or the solicitation of an offer to buy, nor may there be any sales of these securities in, any state in which such offer, solicitation or sale would be unlawful before registration or qualification of the offer and sale under the laws of such state.

An investment in the Interests involves a high degree of risk. See “Risk Factors” on page 18 of the Offering Circular dated October 15, 2019 for a description of some of the risks that should be considered before investing in the Interests.

Of the proceeds of the Offering, the Cash on Series Balance Sheet listed in the Use of Proceeds Table will remain in the operating account of the Series for future Operating Expenses.

The allocation of the net proceeds of this Series Offering set forth above, represents our intentions based upon our current plans and assumptions regarding industry and general economic conditions, our future revenues and expenditures. The amounts and timing of our actual expenditures will depend upon numerous factors, including market conditions, cash generated by our operations, business developments, and related rate of growth. The Manager reserves the right to modify the use of proceeds based on the factors set forth above. The Company is not expected to keep any of the proceeds from the Series Offering. The Series is expected to keep Cash on the Series Balance Sheet in the amount listed in the Use of Proceeds Table from the proceeds of the Series Offering for future Operating Expenses. In the event that less than the Maximum Series Interests are sold in connection with the Series Offering, the Manager may pay, and not seek reimbursement for, the Brokerage Fee, Offering Expenses and Acquisition Expenses and may waive the Sourcing Fee.

DESCRIPTION OF SERIES T206 HONUS WAGNER CARD

Investment Overview

- Upon completion of the Series #HONUS Offering, Series #HONUS will purchase a 1909-11 T206 Honus Wagner Baseball Card (at times described as the “T206 Wagner” throughout this Offering Circular) as the underlying asset for Series #HONUS (the “Series T206 Honus Wagner Card” or the “Underlying Asset” with respect to Series #HONUS, as applicable), the specifications of which are set forth below.
- Pittsburgh Pirates shortstop Honus Wagner won an unprecedented eight National League batting titles as well as leading the Pirates to the 1909 World Series victory against Ty Cobb and the Detroit Tigers.
- Wagner was inducted into the National Baseball Hall of Fame as a member of its inaugural class in 1936 alongside Ty Cobb, Christy Mathewson, Walter Johnson, and Babe Ruth.
- The Honus Wagner Card was produced by the American Tobacco Company (ATC) as part of the T206 series from 1909-1911.

Asset Description

Overview & Authentication

- Synonymous with the phrase “tobacco card,” the 1909-1911 T206 series consists of 524 distinctly different “White Border” player portrayals measuring about 1-7/16" by 2-5/8".
- The T206 collection includes 390 cards featuring major league players (with multiple poses and captions for the same player counted separately) and 134 minor leaguers, each in a straightforward and simple arrangement.
- The American Tobacco Company produced the T206 series from 1909-1911, with the majority showing reverse side advertising of the company's popular tobacco brands.
- T206 Honus Wagner cards have less than 60 known examples of the card still in existence.

Notable Features

- The provenance of the Underlying Asset is unique, as it was bequeathed to The School Sisters of Notre Dame by the brother of a deceased nun in 2010, with the card first coming into the unnamed brother's possession in 1936.
- The Underlying Asset has a clean border at the bottom printed with “Wagner, Pittsburg”.
- The Underlying Asset is based on a portrait of Honus Wagner taken by the noted baseball photographer Carl Horner.

Notable Defects

- The borders of the Underlying Asset have been trimmed, and the card has been coated in shellac as a preservative.
- The Underlying Asset also exhibits signs of wear, with visible creases, and the “Sweet Caporal” advertisement on the reverse of this card partially removed.

Equity retained by Asset Seller

- The Asset Seller will retain a 52.9% interest in the Underlying Asset and, upon closing of the purchase of the Underlying Asset by us (the “Closing”), shall receive 5,289 membership interests in the Series with an aggregate value of \$275,028 (the “Asset Seller Equity Interest”).

Restrictions on Sale of Underlying Asset

- Without our prior written consent (which may be withheld in our sole discretion), the Asset Seller will not, directly or indirectly, offer, pledge, sell, transfer, hypothecate, mortgage, grant or encumber, sell or grant any option, purchase any option, enter into any arrangement or contract to do any of the foregoing, or otherwise transfer, dispose or encumber the Asset Seller Equity Interest.
- Without the Asset Seller's prior written consent, we will not sell the Underlying Asset within 36-months of the Closing.

- We will not sell the Underlying Asset for a purchase price of less than \$1,900,000.00 without the Asset Seller's prior written consent.
- For a 10 year period following the Closing, we (or our designee(s)) will have the right, exercisable at any time upon written notice to the Asset Seller, to repurchase from the Asset Seller the Asset Seller Equity Interest for a purchase price valuing the Series at no less than \$1,900,000.00. In the event we exercise this right, the Asset Seller will execute and deliver or cause to be executed and delivered to us such agreements or instruments as we may reasonably request, in order to facilitate such repurchase.
- If the Underlying Asset is sold within 5 years of the Closing, we will use commercially reasonable efforts to include as a condition in the sale agreement relating to such sale that purchaser of the Underlying Asset must lend the Underlying Asset to the Asset Seller for 60 days per calendar year for a 24-month period post-sale. We will have no further obligation to the Asset Seller once we sell the Underlying Asset.

Location and Loan of Underlying Asset

- Provided that the Asset Seller complies with its covenants, agreements and obligations set forth in the Purchase Option Agreement, we agree to lend the Underlying Asset to the Asset Seller for no less than 305 days per calendar year. In turn, the Asset Seller may lend such Underlying Asset to the DePace Sports Museum at its principal location in New Jersey (the "Museum") for display at the Museum, provided that (A) the Asset Seller notify us in advance when the Underlying Asset is so lent to the Museum, (B) such loan arrangement is made pursuant to a written agreement with the Museum on terms and conditions that are satisfactory to us in our sole discretion (including, upon our request, making us a party thereto) and (C) the Museum at all times stores, protects, insures and maintains the Underlying Asset on terms acceptable to us in our sole discretion. The Asset Seller will enforce against the Museum the terms and conditions of any such written agreement at, and in accordance with, our direction. The Asset Seller will also enforce for our benefit, and as reasonably directed by us, the Asset Sellers' rights under such written agreement with the Museum as if we were a party thereto in the Asset Sellers' place and permit us to enforce any rights arising with respect thereto. We will retain title to and ownership of the Underlying Asset at all times notwithstanding anything to the contrary in this Purchase Option Agreement.
- When the Underlying Asset is in the Asset Sellers' possession, the Asset Seller will store, protect and maintain the Underlying Asset as part of its inventory exercising a standard of care no less than the standard applied in storing, protecting and maintaining the Underlying Asset immediately prior to the date of the Purchase Option Agreement, but, in any event, on no less than a commercially reasonable basis with respect to storing, protecting and maintaining valuable collectible assets of the nature and type of the Underlying Asset. Further, the Asset Seller will cause the Museum to display, store, protect and maintain the Underlying Asset as part of its collection exercising a standard of care no less than the standard applied in displaying, storing, protecting and maintaining the Underlying Asset immediately prior to the date of the Purchase Option Agreement, but, in any event, on no less than a commercially reasonable basis with respect to displaying, storing, protecting and maintaining valuable collectible assets of the nature and type of the Underlying Asset.
- We will have the right to inspect the Underlying Asset at any time. The Asset Seller will, and will cause the Museum to, take all actions reasonably requested by us to safeguard, protect and preserve the Underlying Asset.
- In the event the Underlying Asset is lost, stolen, damaged or destroyed or its value is otherwise impaired or diminished at any time when the Underlying Asset is not in our possession in connection with any loan thereof to the Asset Seller or the Museum, the Asset Seller will promptly pay to us an amount equal to the fair market value of the Underlying Asset immediately prior to the date the Underlying Asset was lost, stolen, damaged or destroyed or its value was otherwise impaired or diminished.

Indemnification

- Under the Purchase Option Agreement, the Asset Seller will indemnify and hold harmless RSE Archive, LLC and its affiliates and our and their respective officers, directors, managers, equity holders, employees and agents (collectively, "Purchaser Indemnitees") from all losses, damages, liabilities, deficiencies, claims, actions, causes of action, demands, lawsuits, arbitrations, inquiries, proceedings, litigations, investigations, taxes, judgments, interest, awards, penalties, fines, assessments, levies, costs or expenses of

whatever kind suffered or incurred by any of the Purchaser Indemnitees based upon, arising out of, with respect to, in connection with or by reason of:

Risk Factors Specific to the Series #HONUS

Any investment in our securities involves a high degree of risk. Please consider the following risk factors carefully. If any one or more of the following risks were to occur, it could have a material adverse effect on the Series #HONUS. Many of the risks faced involve more than one type of risk. Consequently, you should read all of the risk factors below carefully, as well as the risk factors described in our offering statement on Form 1-A, and in any reports we file with the SEC after we file this post-qualification amendment to our offering statement on Form 1-A, before deciding whether to purchase or hold our securities. The occurrence of any of these risks could harm the Underlying Asset, the value of the Series could decrease, and investors could lose part or all of their investment.

The Series #HONUS is subject to certain restrictions on sale, and therefore we may not be able to dispose of the Underlying Asset at the time of our choosing, if at all.

The memorabilia market is affected by many factors, such as general economic conditions, availability of financing, and other factors, including supply and demand, that are beyond our control. We cannot predict when and whether we will be able to sell Series T206 Honus Wagner Card on the terms set forth in the Purchase Option Agreement. There can be no assurance that we will ever be able to dispose of the Series T206 Honus Wagner Card on the terms set forth in the Purchase Option Agreement. Therefore, Investors in this Series should assume that we will hold this Underlying Asset indefinitely and that their only potential source of liquidity would be through the Liquidity Platform.

We will share control of the Underlying Asset with the Asset Seller of the Series T206 Honus Wagner Card. We may have conflicts of interest with the Asset Seller who will hold a 52.9% interest in the Series after the Offering and will have possession of the Series T206 Honus Wagner Card for no less than 305 days per year.

While we make all operating decisions for almost all of our Underlying Assets, based on the Purchase Option Agreement, we are required to make decisions jointly with the Asset Seller who will hold a 52.9% interest in the Series. In addition, we have agreed to lend the Underlying Asset to the Asset Seller for no less than 305 days per calendar year. These requirements may otherwise conflict with our interests. For example, these requirements might limit our ability to use the Series T206 Honus Wagner Card in connection with certain Membership Experience Programs, as compared to other Underlying Assets.

In addition, various restrictive provisions and consent rights to certain transactions apply to the sale or transfer of the Underlying Asset. These restrictive provisions may preclude us from achieving full value of this Underlying Asset because of our inability to obtain the necessary consent to sell or transfer the Series T206 Honus Wagner Card.

Since the Series T206 Honus Wagner Card will not be in our possession and control for 305 or more days per year our insurance may not cover or be adequate to offset costs associated with certain events, claims and litigation, and there can be no assurance that insurance coverage will continue to be available in the future on reasonable terms.

We maintain insurance against certain, but not all, hazards that could arise or impact the value of an Underlying Asset. We maintain such insurance policies with insurers in amounts and with coverage and deductibles as our Asset Manager believes are reasonable and prudent. However, we cannot assure you that our existing insurance coverage will be adequate to protect us from all material expenses related to potential future claims for personal and property damage that may occur while the Asset Seller is in possession of the Underlying Asset or while the Underlying Asset is in transit to the Asset Seller or that such existing insurance coverage will be available in the future at economical prices. The occurrence of an event that is not insured or not fully insured could have a material adverse effect on the value of Underlying Asset and/or the Series. In particular, as we are still assessing our exposure related to events, claims and litigation, there can be no assurance that our insurance will cover any or all costs associated with such potential incidents, which could have a material adverse effect on value of the Underlying Asset and/or the Series.

DESCRIPTION OF THE BUSINESS

Overview

The Memorabilia Assets market, a global, multi-billion-dollar industry, is characterized by: (i) a very small number of collectors who have the financial means to acquire, enjoy and derive financial gains from the highest quality and value Memorabilia Assets, and (ii) a very large number of Asset Class enthusiasts who have equivalent knowledge and passion for the assets, but no current mechanism to benefit financially from or enjoy certain benefits of ownership of the Asset Class in the highest value segment. This dichotomy and the disproportionate access to the upper-end of the market have resulted in the creation of significant latent demand from the enthusiast community to participate more meaningfully in an asset class that, to date, they have passively watched deliver returns to a select group of individual collectors.

The Company's mission is to leverage technology and design, modern business models influenced by the sharing economy, and advancements in the financial regulatory environment to democratize the Asset Class. The Company aims to provide enthusiasts with access to the market by enabling them to create a diversified portfolio of equity interests in the highest quality Memorabilia Assets through a seamless investment experience through the Platform. As well, Investors will have the opportunity to participate in a unique collective ownership experience, including museum/retail locations and social events, as part of the Membership Experience Programs. The objective is to use revenue generated from these Membership Experience Programs to fund the highest caliber of care for the Underlying Assets in the collection, which we expect ultimately to be offset by meaningful economies of scale in the form of lower costs for collection level insurance, maintenance contracts and storage facilities, and to generate Free Cash Flow distributions to equity Investors in the Underlying Assets. The Manager may maintain Free Cash Flow funds in a deposit account or an investment account for the benefit of the Series.

Collectors and dealers interested in selling their Underlying Assets will benefit from greater liquidity, significantly lower transaction costs and overhead, and a higher degree of transparency as compared to traditional methods of transacting the Underlying Assets. Auction and consignment models may include upwards of ~20% of asset value in transaction costs, as well as meaningful overhead in terms of asset preparation, shipping and marketing costs, and time value. The Company thus aims to align the interests of buyers and sellers, while opening up the market to a significantly larger number of participants than was previously possible, thereby driving market appropriate valuations and greater liquidity.

Business of the Company

The Interests represent an investment in a particular Series and thus indirectly the Underlying Asset and do not represent an investment in the Company or the Manager generally. We do not anticipate that any Series will own any assets other than the Underlying Asset associated with such Series. However, we expect that the operations of the Company, including the issuance of additional Series of Interests and their acquisition of additional assets, will benefit Investors by enabling each Series to benefit from economies of scale and by allowing Investors to enjoy the Company's Underlying Asset collection at the Membership Experience Programs.

We anticipate that the Company's core competency will be the identification, acquisition, marketing and management of Memorabilia Assets for the benefit of the Investors. In addition, through the use of the Platform, the Company aspires to offer innovative digital products that support a seamless, transparent and unassuming investment process as well as unique and enjoyable experiences that enhance the utility value of investing in passion assets. The Company, with the support of the Manager and its affiliates and through the use of the Platform, aims to provide:

(i) Investors with access to highest quality Memorabilia Assets for investment, portfolio diversification and secondary market liquidity for their Interests, through the Liquidity Platform, or otherwise, although there can be no guarantee that a secondary market will ever develop, through the Liquidity Platform, or otherwise, or that appropriate registrations to permit such secondary trading will ever be obtained.

(ii) Asset Sellers with greater market transparency and insights, lower transaction costs, increased liquidity, a seamless and convenient sale process, portfolio diversification and the ability to retain minority equity positions in assets via the retention of equity interests in Offerings conducted through the Platform.

(iii) All Platform users with a premium, highly curated, engaging Memorabilia Asset media experience, including “fantasy collecting” features. The investable assets on the Platform will be supplemented with “private” assets, which will be used to generate conversation, support the “fantasy collecting” component of the Platform and enable users to share personal sentiment on all types of assets.

(iv) All Platform users and others with opportunities to engage with the Underlying Assets in the Company’s collection through a diverse set of tangible interactions with assets on the Platform and unique collective ownership experiences (together, the “Membership Experience Programs”) such as:

- Visit & interact at Rally Rd.™ Museums (i.e., Open HQ, warehouse visits, pop-up shops with partner businesses, or “tents” at major auctions/events where users can view the Underlying Assets in person and interact with each other in a social environment);
- Asset sponsorship models (e.g. corporate sponsors or individuals pay for assets to appear in movies, commercials or at events); and
- Other asset-related products (e.g., merchandise, social networking, communities).

A core principle of Memorabilia Asset collecting is the enjoyment of the assets. As such, the ultimate goal of the Membership Experience Programs will be to operate the asset profitably (i.e., generate revenues in excess of Operating Expenses at the Membership Experience Programs within mandated usage guidelines) while maintaining exemplary maintenance standards to support the potential generation of financial returns for Investors in each Series. The Membership Experience Programs, with appropriate controls and incentives, and active monitoring by the Manager and the Asset Manager, should enable a highly differentiated and enjoyable shared collecting experience while providing for premium care for assets in the Company’s collection. To the extent the Manager and the Asset Manager considers it beneficial to Investors, we plan to include all the Underlying Assets, in the sole discretion of the Manager, in the Membership Experience Programs.

Our objective is to become the leading marketplace for investing in collector quality Memorabilia Assets and, through the Platform, to provide Investors with financial returns commensurate with returns in the Asset Class, to enable deeper and more meaningful participation by Memorabilia Asset enthusiasts in the hobby, to provide experiential and social benefits comparable to those of a world-class Memorabilia Asset collector, and to manage the collection in a manner that provides exemplary care to the assets and offers potential returns for Investors.

Competition

Although the Company’s business model is unique in the memorabilia and collectibles industry, there is potentially significant competition for the Underlying Assets, which the Company securitizes through its offerings, from many different market participants. While the majority of transactions continue to be peer-to-peer with very limited public information, other market players such as memorabilia and collectibles dealers and auction houses continue to play an increasing role.

Most of our current and potential competitors in the memorabilia and collectibles industry, such as dealers and auction houses, have significantly greater financial, marketing and other resources than we do and may be able to devote greater resources sourcing the Underlying Assets that the Company competes for. In addition, almost all of these competitors, in particular the auction houses, have longer operating histories and greater name recognition than we do and are focused on a more established business model.

There are also start-up models around shared ownership of memorabilia and collectibles, developing in the industry, which will result in additional competition for Underlying Assets, but so far none of these models seek to securitize ownership through the regulated securities market.

With the continued increase in popularity of the memorabilia and collectibles market, we expect competition for the Underlying Assets to intensify in future. Increased competition may lead to increased memorabilia and collectibles prices, which will reduce the potential value appreciation that Interest Holders may be able to achieve by owning Interests in the Company’s Offerings and will decreased the number of high-quality assets the Company can securitize through the Platform.

In addition, there are companies that are developing crowd funding models for other alternative asset classes such as race horses, art or wine, who may decide to enter the memorabilia and collectibles as well.

Customers

We target the broader U.S. memorabilia and collectibles enthusiast and the 83.1 million U.S. millennial market (based on 2015 figures by the U.S. Census Bureau) as our key customer bases. The customers of the Company are the Investors in each Series that has closed an Offering. As of the date of this filing, the Company has not closed any Offerings.

Manager

The Operating Agreement designates the Manager as the managing member of the Company. The Manager will generally not be entitled to vote on matters submitted to the Interest Holders. The Manager will not have any distribution, redemption, conversion or liquidation rights by virtue of its status as the Manager.

The Operating Agreement further provides that the Manager, in exercising its rights in its capacity as the managing member, will be entitled to consider only such interests and factors as it desires, including its own interests, and will have no duty or obligation (fiduciary or otherwise) to give any consideration to any interest of or factors affecting the Company, any Series of Interests or any of the Interest Holders and will not be subject to any different standards imposed by the Operating Agreement, the LLC Act or under any other law, rule or regulation or in equity. In addition, the Operating Agreement provides that the Manager will not have any duty (including any fiduciary duty) to the Company, any Series or any of the Interest Holders.

In the event the Manager resigns as managing member of the Company, the holders of a majority of all Interests of the Company may elect a successor managing member. Holders of Interests in each Series of the Company have the right to remove the Manager as manager of the Company, by a vote of two-thirds of the holders of all Interests in each Series of the Company (excluding the Manager), in the event the Manager is found by a non-appealable judgment of a court of competent jurisdiction to have committed fraud in connection with a Series of Interests or the Company. If so convicted, the Manager shall call a meeting of all of the holders of every Series of Interests within 30 calendar days of such non-appealable judgment at which the holders may vote to remove the Manager as manager of the Company and each Series. If the Manager fails to call such a meeting, any Interest Holder will have the authority to call such a meeting. In the event of its removal, the Manager shall be entitled to receive all amounts that have accrued and are due and payable to it. If the holders vote to terminate and dissolve the Company (and therefore the Series), the liquidation provisions of the Operating Agreement shall apply (as described in “Description of the Interests Offered – Liquidation Rights”). In the event the Manager is removed as manager of the Company, it shall also immediately cease to be manager of any Series.

See “**Management**” for additional information regarding the Manager.

Advisory Board

The Manager has assembled an Advisory Board to assist the Manager in identifying and acquiring the Underlying Assets, to assist the Asset Manager in managing the Underlying Assets and to advise the Manager and certain other matters associated with the business of the Company and the various Series of Interests.

The members of the Advisory Board are not managers or officers of the Company or any Series and do not have any fiduciary or other duties to the Interest Holders of any Series.

Operating Expenses

Operating Expenses are allocated to each Series based on the Companies allocation policy (see “**Allocation of Expenses**” below). Each Series is only responsible for the Operating Expenses associated with such Series, as determined by the Manager in accordance with the allocation policy, and not the Operating Expenses related to any other Series. Upon the Closing of an Offering for a Series, the Series will be responsible for the following costs and expenses attributable to the activities of the Company related to the Series:

- (i) any and all ongoing fees, costs and expenses incurred in connection with the management of the Underlying Asset related to a Series, including import taxes, income taxes, annual registration fees, transportation (other than transportation costs described in Acquisition Expenses), storage (including its allocable portion of property rental fees should the Manager decide to rent a property to store a number of Underlying Assets), security, valuation, custodianship, marketing, maintenance, refurbishment, presentation, perfection of title and utilization of an Underlying Asset;
- (ii) fees, costs and expenses incurred in connection with preparing any reports and accounts of a Series of Interests, including any blue-sky filings required in certain states and any annual audit of the accounts of such Series of Interests (if applicable);
- (iii) fees, costs and expenses of a third-party registrar and transfer agent appointed in connection with a Series of Interests;
- (iv) fees, costs and expenses incurred in connection with making any tax filings on behalf of the Series of Interests;
- (v) any indemnification payments;
- (vi) any and all insurance premiums or expenses incurred in connection with the Underlying Asset, including insurance required for utilization at and transportation of the Underlying Asset to events under Membership Experience Programs (excluding any insurance taken out by a corporate sponsor or individual paying to showcase an asset at an event but including, if obtained, directors and officers insurance of the directors and officers of the Manager or the Asset Manager); and
- (vii) any similar expenses that may be determined to be Operating Expenses, as determined by the Manager in its reasonable discretion.

The Manager and the Asset Manager have agreed to pay and not be reimbursed for Operating Expenses incurred prior to the Closing of any of the Series detailed in the Master Series Table. The Manager and the Asset Manager each will bear their own expenses of an ordinary nature, including all costs and expenses on account of rent (other than for storage of the Underlying Asset), supplies, secretarial expenses, stationery, charges for furniture, fixtures and equipment, payroll taxes, remuneration and expenses paid to employees and utilities expenditures (excluding utilities expenditures in connection with the storage of the Underlying Assets).

If the Operating Expenses for a particular Series exceed the amount of revenues generated from the Underlying Asset of such Series and cannot be covered by any Operating Expense reserves on the balance sheet of the Series, the Manager or the Asset Manager may (a) pay such Operating Expenses and not seek reimbursement, (b) loan the amount of the Operating Expenses to the Series, on which the Manager or the Asset Manager may impose a reasonable rate of interest, and be entitled to reimbursement of such amount from future revenues generated by the Underlying Asset related to such Series (an “Operating Expenses Reimbursement Obligation(s)”), and/or (c) cause additional Interests to be issued in the Series in order to cover such additional amounts.

Indemnification of the Manager and its affiliates

The Operating Agreement provides that none of the Manager, or its affiliates, the Asset Manager, nor any current or former directors, officers, employees, partners, shareholders, members, controlling persons, agents or independent contractors of the Manager, members of the Advisory Board, nor persons acting at the request of the Company in certain capacities with respect to other entities (collectively, the “Indemnified Parties”) will be liable to the Company, any Series or any Interest Holders for any act or omission taken by the Indemnified Parties in connection with the business of the Company or any Series that has not been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to constitute fraud, willful misconduct or gross negligence.

Each Series will indemnify the Indemnified Parties out of its assets against all liabilities and losses (including amounts paid in respect of judgments, fines, penalties or settlement of litigation, including legal fees and expenses) to which they become subject by virtue of serving as Indemnified Parties with respect to the Company or the applicable Series and with respect to any act or omission that has not been determined by a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to constitute fraud, willful misconduct or gross negligence.

Description of the Asset Management Agreement

Each Series has entered or intends to enter into a separate asset management agreement with the Asset Manager. The Series referenced in the Master Series Table, will each appoint the Asset Manager to manage the respective Underlying Assets pursuant to the Asset Management Agreement. The services provided by the Asset Manager will include:

- Together with members of the Advisory Board, creating the asset maintenance policies for the collection of assets;
- Investigating, selecting, and, on behalf of the applicable Series, engaging and conducting business with such persons as the Asset Manager deems necessary to ensure the proper performance of its obligations under the Asset Management Agreement, including but not limited to consultants, insurers, insurance agents, maintenance providers, storage providers and transportation providers and any and all persons acting in any other capacity deemed by the Asset Manager necessary or desirable for the performance of any of the services under the Asset Management Agreement; and
- Developing standards for the transportation and care of the Underlying Assets.

The Asset Management Agreement entered with each Series will terminate on the earlier of: (i) one year after the date on which the relevant Underlying Asset related to a Series has been liquidated and the obligations connected to the Underlying Asset (including, contingent obligations) have been terminated, (ii) the removal of the Manager as managing member of the Company (and thus all Series of Interests), (iii) upon notice by one party to the other party of a party's material breach of the Asset Management Agreement, or (iv) such other date as agreed between the parties to the Asset Management Agreement.

Each Series will indemnify the Asset Manager out of its assets against all liabilities and losses (including amounts paid in respect of judgments, fines, penalties or settlement of litigation, including legal fees and expenses) to which they become subject by virtue of serving as Asset Manager under the Asset Management Agreement with respect to any act or omission that has not been determined by a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to constitute fraud, willful misconduct or gross negligence.

Management Fee

As consideration for managing each Underlying Asset, the Asset Manager will be paid a semi-annual Management Fee pursuant to the Asset Management Agreement, equal to up to 50% of any available Free Cash Flow generated by a Series for such six-month period. The Management Fee will only become payable if there are sufficient proceeds to distribute Free Cash Flow to the Interest Holders.

Asset Selection

The Company targets a broad spectrum of assets globally in order to cater to a wide variety of tastes and investment strategies across the Asset Class. We intend to acquire assets from across all sub-categories of the Asset Class, but with particular focus on items with broad appeal and significance. For example, in sports memorabilia, this would include objects related to high profile players or memorable teams. We will pursue acquisitions opportunistically on a global basis whenever we can leverage our industry specific knowledge or relationships to bring compelling investment opportunities to Investors. It is our objective to acquire only the highest caliber assets, although we may opportunistically choose to acquire assets of lesser qualities from time to time if we consider these to be prudent investments for the Investors on the Platform, and to appropriately maintain, monitor and manage the collection to support its continued value appreciation and to enable respectful enjoyment by the Investors. We maintain an ongoing list of investment opportunities across the various asset categories we track, including:

(i) Tier 1: comprehensive lists of items in each major sub-category of the Asset Class that fit within the broad asset categories described above. Tier 1 assets provide a breadth of content for the Platform and are viewed as assets for general consideration.

(ii) Tier 2: narrow lists of marquee assets that define each investment category as a whole within the collector and investor community. In addition to being prudent investments, Tier 2 assets will also play a key role in promoting the Platform because of their high consumer recognition factor.

(iii) Tier 3: target acquisition lists of assets that the Manager and Advisory Board believe would offer the greatest return on investment potential to Investors across various makes, models and vintages.

(iv) Tier 4: current acquisition lists of assets where the Manager and the Company are proactively searching for particular examples to present as opportunities for investment on the Platform. Tier 4 lists include what we believe to be the most desirable and actionable assets in the Asset Class at any time.

We anticipate that our Advisory Board will assist in the identification of Underlying Assets and in finding and identifying storage, maintenance specialists and other related service providers. This will give the Company access to the highest quality assets and balanced information and decision making from information collected across a diverse set of constituents in the Asset Class, as well as a network of partners to ensure the highest standards of care for the Underlying Assets.

Our asset selection criteria were established by the Manager in consultation with the Asset Manager and members of the Company's Advisory Board and are continually influenced by Investor demand and current industry trends. The criteria are subject to change from time to time in the sole discretion of the Manager. Although we cannot guarantee positive investment returns on the Underlying Assets we acquire, we endeavor to select assets that are projected to generate positive return on investment, primarily based upon the asset's value appreciation potential as well as the potential for the Company to effectively monetize the asset through its Membership Experience Programs. The Manager, with guidance from the Asset Manager and members of the Company's Advisory Board, will endeavor to only select assets with known ownership history, certificates of authenticity, and highest possible quality grades, to the extent that such metrics exist in a particular sub-sector (e.g. trading cards) and other related records. The Manager, with guidance from the Asset Manager and members of the Company's Advisory Board, also considers the condition of the assets, historical significance, ownership history and provenance, the historical valuation of the specific asset or comparable assets and our ability to relocate the asset to offer tangible experiences to Investors and members of the Platform. From time to time the Manager, in consultation with our expert network, the Asset Manager and members of the Company's and Advisory Board, will decide to refurbish assets either prior to designating a Series of Interests associated with such Underlying Asset on the Platform or as part of an Underlying Asset's ongoing maintenance schedule. Any refurbishment will only be performed if it is deemed to be accretive to the value of the Underlying Asset. The Manager, with guidance from the Asset Manager and members of the Company's Advisory Board, will review asset selection criteria at least annually. The Manager, in consultation with the Asset Manager, will seek approval from the Advisory Board for any major deviations from these criteria.

Through the Company's network, the Asset Manager and Advisory Board, we believe that we will be able to identify and acquire Underlying Assets of the highest quality and known provenance, as well as examples of potential "future classics," and obtain proprietary access to limited production runs, with the intent of driving returns for Investors in the Series of Interests that owns the applicable asset. Concurrently, through the Platform, we aim to bring together a significantly larger number of potential buyers with Asset Sellers than traditional auction houses or dealers are able to achieve. Through this process, we believe we can source and syndicate Underlying Assets more efficiently than the traditional method in the Asset Class and with significantly lower transaction and holding costs.

Asset Acquisition

The Company plans to acquire Underlying Asset through various methods:

- 1) Upfront purchase – the Company acquires an Underlying Asset from an Asset Seller prior to the launch of offering related to the Series
- 2) Purchase agreement – the Company enters into an agreement with an Asset Seller to acquire an Underlying Asset, which may expire prior to the closing of the offering for the related Series, in which case the Company is obligated to acquire the Underlying Asset prior to the closing
- 3) Purchase option agreement – the Company enters into a purchase option agreement with an Asset Seller, which gives the Company the right, but not the obligation, to acquire the Underlying Asset

In the case where an Underlying Asset is acquired prior to the launch or closing, as the case may be, of the offering process for the related Series, the proceeds from the associated offering, net of any Brokerage Fee, Offering

Expenses or other Acquisition Expenses or Sourcing Fee, will be used to reimburse the Company for the acquisition of the Underlying Asset or repay any loans made to the Company, plus applicable interest, to acquire such Underlying Asset.

In the case where, rather than pre-purchasing an Underlying Asset before the Closing of an Offering, the Company may also negotiate with Asset Sellers for the exclusive right to market, an Underlying Asset on the Platform to Investors for a period of time (the “Exclusivity Period”). The Company plans to achieve this by pre-negotiating a purchase price (or desired amount of liquidity) and entering into an asset purchase agreement or a purchase option agreement with an Asset Seller for an Underlying Asset, which would close simultaneously upon the closing of the offering of Interests in the Series associated with that Underlying Asset. Then, upon Closing a successful Offering, the Asset Seller would be compensated with a combination of cash proceeds from the offering and, if elected, equity ownership in the Series associated with the Underlying Asset (as negotiated in the agreement for such Underlying Asset).

In some cases, an Asset Seller may retain partial ownership of an Underlying Asset and hold membership interests in the applicable Series representing its pro rata ownership of the Underlying Asset. For example, the Asset Seller will retain a 52.9% equity interest in the Underlying Asset for the Series #HONUS. See the “**Description of Series T206 Honus Wagner Card**” section for further details.

Additional details on the acquisition method for each Underlying Asset can be found in the **Master Series Table** and in the “**Use of Proceeds**” section for each respective Series.

Asset Liquidity

The Company intends to hold and manage all of the assets marketed on the Platform indefinitely. Liquidity for Investors would be obtained by transferring their Interests in a Series, through the Liquidity Platform (see “**Liquidity Platform**” below for additional information), or otherwise, although there can be no guarantee that a secondary market for any Series of Interests will develop or that appropriate registrations to permit secondary trading, as the case may be, will ever be obtained. However, should an offer to liquidate an Underlying Asset materialize and be in the best interest of the Investors, as determined by the Manager, the Manager, with guidance from the Advisory Board will consider the merits of such offers on a case-by-case basis and potentially sell the asset. Furthermore, should an Underlying Asset become obsolete (e.g., due to lack Investor demand for its Interests) or suffer from a catastrophic event, the Manager may choose to sell the asset. As a result of a sale under any circumstances, the Manager would distribute the proceeds of such sale (together with any insurance proceeds in the case of a catastrophic event covered under the asset’s insurance contract) to the Interest Holders of the applicable Series (after payment of any accrued liabilities or debt, including but not limited to balances outstanding under any Operating Expenses Reimbursement Obligation, on the Underlying Asset or of the Series at that time). In some cases, the Company’s ability to liquidate an Underlying Asset may be subject to certain restrictions or limitations on sale as set forth in the applicable purchase agreement or purchase option agreement.

Liquidity Platform

Overview

The Manager intends to enter into an arrangement with a registered broker-dealer that, subject to restrictions under state and federal securities laws and the transfer restrictions listed in the Operating Agreement (see “**Description Of Interests Offered – Transfer Restrictions**” section for additional details), facilitates the transfer of Interests issued by the Company. The facilitation of the transfer of Interests would be accomplished sporadically through an auction process for isolated non-issuer transactions (the “Trading Window”) and execution of the transfer would be effected exclusively through the registered broker-dealer. The Asset Manager operates the Platform, through which Investors would submit their indications of interests to transfer or purchase Interests, to be executed by the registered broker-dealer. The following anticipated process is subject to change.

- 1) *Frequency of facilitation:* Under the Company’s documentation, there is a lock-up period of no less than 90 days after the closing of the initial offering for the Interests of any Series. No Interests may be transferred before the expiration of the lock-up period. Upon expiration of the lock-up period, it is anticipated that a Trading Window may open for a particular Series of Interest no more than once every 30 to 90 days. The duration of the Trading Window is generally expected to be from 9:00a.m. EST to 4:30p.m. EST and each Trading Window is expected to remain open for one or two days during these hours. However, the Asset Manager, in its capacity as operator of the Platform, may change that frequency and duration.
- 2) *Indication of interest submission and aggregation:* During the hours of the Trading Window for a particular Series of Interest, indications of interest to transfer or purchase Interests may be submitted by Investors who have opened a brokerage account with the Custodian, upon the signing of the anticipated Custody Agreement. Throughout the Trading Window, all indications of interest would be aggregated through the Platform with respect to the Interests in a particular Series and, at the end of the Trading Window, the market-clearing price at which the maximum number of Interests of a given Series would be transacted during that particular Trading Window would be determined (e.g., the price at which the maximum number of indications of interest to transfer and purchase overlap), to the extent such transfer is permitted by applicable law and the transfer restrictions detailed in the Operating Agreement.
- 3) *Indication of interest execution:* After the end of the Trading Window, each Investor that has a qualifying match would be notified through the Platform and would be required to affirmatively confirm their desire to transact in their discretion at the market-clearing price. Upon confirmation by the Investor, the registered broker-dealer would clear and close any transactions during a fixed period of time after the end of the Trading Window. Once executed, the appropriate information would be submitted back to the Platform by the registered broker-dealer and reflected in each Investor’s account on the Platform.

User Interface and Role of the Platform

For the purposes of the Trading Window described above (see “—**Overview**”), the Platform would serve as the user interface through which Investors submit indications of interest to transfer or purchase Interests in Series of the Company.

For the avoidance of doubt, all activity related to execution of transfers or purchases of Interests on the Liquidity Platform would be originated by the Investor and neither the Company, the Manager nor the Asset Manager would be acting as a broker or dealer, and none of them would make any recommendation as to the purchase or sale of any Interests. In addition, the registered broker-dealer would not make any recommendation as to the purchase or sale of any Interests. Neither the Company nor the Managing Member would ever have custody of the Investor’s membership interests, cash or other property, and all transfers of cash or securities would be performed by the registered broker-dealer or another appropriately licensed third party, at the direction of the Investor, upon closing of a Trading Window.

The Platform would merely be acting as a user interface to deliver and display information to Investors and the registered broker-dealer. Neither the Company, the Manager nor the Asset Manager would receive any compensation for its role in the procedures outlined above, unless and until one of the affiliates of the Manager registers as a broker-dealer. As described in “Potential Conflicts of Interest – Conflicting Interests of the Manager, the Asset Manager and the Investors,” the Manager or one of its affiliates in the future may register as a broker-dealer under state and federal securities laws, at which time it may charge fees in respect of the resale of Interests during Trading Windows on the Platform or otherwise.

Facilities

The Manager intends to operate the Company and manage the collection in a manner that will focus on the ongoing security of all Underlying Assets. The Manager currently stores the Underlying Assets, along with other assets, in a professional facility and in accordance with standards commonly expected when managing Memorabilia Assets of equivalent value and always as recommended by the Advisory Board.

The Company currently leases space in a facility in New Castle, Delaware for the purposes of storing the Underlying Assets in a highly controlled environment other than when some or all of the Underlying Assets are used in Membership Experience Programs or are otherwise being utilized for marketing or similar purposes. The facility the Company is using, fulfills the following criteria:

- Fully secured card access system with 24-hour monitoring;
- 24-hour surveillance;
- UV-filtered lighting with maximum 11 foot-candle exposure (similar to light at dusk);
- Temperature controlled to 68° (+/- 2°F tolerance);
- State of the art fire protection including fully covered nitrogen pre-action sprinkler systems.

From time to time various Underlying Assets may be held in third-party facilities, such as the Underlying Asset of the Series #HONUS, which will be showcased in the DePace Sports Museum at its principal location in New Jersey. In such cases, the Asset Manager endeavors to ensure that the Underlying Assets are stored with the appropriate care and insurance as would be the case if they were held in the facility in which the Company leases space, unless otherwise specified in the description for an Underlying Asset. See the “**Description of Series T206 Honus Wagner Card**” section for further details.

Each of the Underlying Assets in the collection will be inspected on a regular basis according to the inspection schedule defined for each Underlying Asset by the Asset Manager in conjunction with members of the Advisory Board.

The Manager and the Asset Manager are located at 250 Lafayette Street, 3rd Floor, New York, NY 10012 and the Asset Manager presently has twenty full-time employees and five part-time contractors. Neither the Manager nor the Company has any employees.

Legal Proceedings

None of the Company, any Series, the Manager, the Asset Manager or any director or executive officer of the Manager or Asset Manager is presently subject to any material legal proceedings.

Allocation of Expenses

To the extent relevant, Offering Expenses, Acquisition Expenses, Operating Expenses, revenue generated from Underlying Assets and any indemnification payments made by the Company will be allocated amongst the various Series in accordance with the Manager's allocation policy, a copy of which is available to Investors upon written request to the Manager. Advisory Board

Responsibilities of the Advisory Board

The Advisory Board will support the Company, the Asset Manager and the Manager and consists of members of our expert network and additional advisors to the Manager. It is anticipated that the Advisory Board will review the Company's relationship with, and the performance of, the Manager, and generally approve the terms of any material or related-party transactions. In addition, it is anticipated that the Advisory Board will assist with, and make recommendations with respect to, the following:

- (i) Approving, permitting deviations from, making changes to, and annually reviewing the asset acquisition policy;
- (ii) Evaluating all asset acquisitions;
- (iii) Evaluating any third party offers for asset acquisitions and approving asset dispositions that are in the best interest of the Company and the Interest Holders;
- (iv) Providing guidance with respect to the appropriate levels of annual collection level insurance costs and maintenance costs specific to each individual asset;

- (v) Reviewing material conflicts of interest that arise, or are reasonably likely to arise with the managing member, on the one hand, and the Company, a Series or the economic members, on the other hand, or the Company or a Series, on the one hand, and another Series, on the other hand;
- (vi) Approving any material transaction between the Company or a Series, on the one hand, and the Manager or any of its affiliates, another Series or an Interest Holder, on the other hand, other than for the purchase of Interests;
- (vii) Reviewing the total fees, expenses, assets, revenues, and availability of funds for distributions to Interest Holders at least annually or with sufficient frequency to determine that the expenses incurred are reasonable in light of the investment performance of the assets, and that funds available for distributions to Interest Holders are in accordance with our policies; and
- (viii) Approving any service providers appointed by the Manager or the Asset Manager in respect of the Underlying Assets.

The resolution of any conflict of interest approved by the Advisory Board shall be conclusively deemed fair and reasonable to the Company and the Members and not a breach of any duty at law, in equity or otherwise. The members of the Advisory Board are not managers or officers of the Company, the Manager or the Asset Manager, or any Series and do not have fiduciary or other duties to the Interest Holders of any Series.

Compensation of the Advisory Board

The Asset Manager will compensate the Advisory Board or their nominees (as so directed by an Advisory Board member) for their service. As such, it is anticipated that their costs will not be borne by any given Series of Interests, although members of the Advisory Board may be reimbursed by a Series for out-of-pocket expenses incurred by such Advisory Board member in connection with a Series of Interests (e.g. travel related to evaluation of an asset).

Members of the Advisory Board

We plan to continue to build the Advisory Board over time and are in advanced discussions with various experts in the Asset Class. We have already established an informal network of expert advisors who support the Company in asset acquisitions, valuations and negotiations. To date three individuals have formally joined the Manager's Advisory Board:

Roger Wiegley

Roger has over 30 years of legal and risk management experience. He is a practicing attorney through his company Roger Wiegley Law Offices, which he started in 2013. He is also a senior adviser to KPMG (insurance and reinsurance) as well as a consultant to several AXA companies in Europe and the United States, and he is the founder and a director of Global Risk Consulting, Ltd., a UK consulting company.

Roger spent the first 18 years of his career practicing law at Sullivan & Cromwell; Sidley & Austin; and Pillsbury Winthrop Shaw Pittman, focused on clients in the financial sector. All Interests shall constitute personal property of the owner thereof for all purposes and a Member has no interest in specific assets of the Company or applicable Series Assets. Title to any Series Assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Series to which such asset was contributed or by which such asset was acquired, and none of the Company, any Member, Officer or other Series, individually or collectively, shall have any ownership interest in such Series Assets or any portion thereof. Title to any or all of the Series Assets may be held in the name of the relevant Series or one or more nominees, as the Managing Member may determine. All Series Assets shall be recorded by the Managing Member as the property of the applicable Series in the books and records maintained for such Series, irrespective of the name in which record title to such Series Assets is held.

Section 2.9 Certificate of Formation. The Certificate of Formation has been filed with the Secretary of State of the State of Delaware, such filing being hereby confirmed, ratified and approved in all respects. The Managing Member shall use reasonable efforts to cause to be filed such other certificates or documents that it determines to be necessary or appropriate for the formation, continuation, qualification and operation of a series limited liability company in the State of Delaware or any other state in which the Company or any Series may elect to do business or own property. To the extent that the Managing Member determines such action to be necessary or appropriate, the Managing Member shall, or shall direct the appropriate Officers, to file amendments to and restatements of the Certificate of Formation and do all things to maintain the Company as a series limited liability company under the laws of the State of Delaware or of any other state in which the Company or any Series may elect to do business or own property, and if an Officer is so directed, such Officer shall be an authorized person of the Company and, unless otherwise provided in a Series Designation, each Series within the meaning of the Delaware Act for purposes of filing any such certificate with the Secretary of State of the State of Delaware. The Company shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Formation, any qualification document or any amendment thereto to any Member.

ARTICLE III - MEMBERS, SERIES AND INTERESTS

Section 3.1 Members.

(a) Subject to paragraph (b), a Person shall be admitted as an Economic Member and Record Holder either as a result of an Initial Offering, Subsequent Offering, a Transfer or at such other time as determined by the Managing Member, and upon (i) agreeing to be bound by the terms of this Agreement by completing, signing and delivering to the Managing Member, a completed Form of Adherence, which is then accepted by the Managing Member, (ii) the prior written consent of the Managing Member, and (iii) otherwise complying with the applicable provisions of ARTICLE III and ARTICLE IV.

(b) The Managing Member may withhold its consent to the admission of any Person as an Economic Member for any reason, including when it determines in its reasonable discretion that such admission could: (i) result in there being 2,000 or more beneficial owners (as such term is used under the Exchange Act) or 500 or more beneficial owners that are not accredited investors (as defined under the Securities Act) of any Series of Interests, as specified in Section 12(g)(1)(A)(ii) of the Exchange Act, (ii) cause such Persons holding to be in excess of the Aggregate Ownership Limit, (iii) in any trailing 12-month period, cause the Persons' investment in all Interests (of all Series in the aggregate) to exceed the Individual Aggregate 12-Month Investment Limit, (iv) could adversely affect the Company or a Series or subject the Company, a Series, the Managing Member or any of their respective Affiliates to any additional regulatory or governmental requirements or cause the Company to be disqualified as a limited liability company, or subject the Company, any Series, the Managing Member or any of their respective Affiliates to any tax to which it would not otherwise be subject, (v) cause the Company to be required to register as an investment company under the Investment Company Act, (vi) cause the Managing Member or any of its Affiliates being required to register under the Investment Advisers Act, (vii) cause the assets of the Company or any Series to be treated as plan assets as defined in Section 3(42) of ERISA, or (viii) result in a loss of (a) partnership status by the Company for US federal income tax purposes or the termination of the Company for US federal

income tax purposes or (b) corporation taxable as an association status for US federal income tax purposes of any Series or termination of any Series for US federal income tax purposes. A Person may become a Record Holder without the consent or approval of any of the Economic Members. A Person may not become a Member without acquiring an Interest.

(c) The name and mailing address of each Member shall be listed on the books and records of the Company and each Series maintained for such purpose by the Company and each Series. The Managing Member shall update the books and records of the Company and each Series from time to time as necessary to reflect accurately the information therein.

(d) Except as otherwise provided in the Delaware Act and subject to Sections 3.1(e) and 3.3 relating to each Series, the debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and the Members shall not be obligated personally for any such debt, obligation or liability of the Company solely by reason of being a Member.

(e) Except as otherwise provided in the Delaware Act, the debts, obligations and liabilities of a Series, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of such Series, and not of any other Series. In addition, the Members shall not be obligated personally for any such debt, obligation or liability of any Series solely by reason of being a Member.

(f) Unless otherwise provided herein, and subject to ARTICLE XI, Members may not be expelled from or removed as Members of the Company. Members shall not have any right to resign or redeem their Interests from the Company; *provided* that when a transferee of a Members Interests becomes a Record Holder of such Interests, such transferring Member shall cease to be a Member of the Company with respect to the Interests so transferred and that Members of a Series shall cease to be Members of such Series when such Series is finally liquidated in accordance with Section 11.3.

(g) Except as may be otherwise agreed between the Company or a Series, on the one hand, and a Member, on the other hand, any Member shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Company or a Series, including business interests and activities in direct competition with the Company or any Series. None of the Company, any Series or any of the other Members shall have any rights by virtue of this Agreement in any such business interests or activities of any Member.

(h) RSE Archive Manager, LLC was appointed as the Managing Member of the Company with effect from the date of the formation of the Company on January 3, 2019 and shall continue as Managing Member of the Company until the earlier of (i) the dissolution of the Company pursuant to Section 11.1(a), or (ii) its removal or replacement pursuant to Section 4.3 or ARTICLE X. Except as otherwise set forth in the Series Designation, the Managing Member of each Series shall be RSE Archive Manager, LLC until the earlier of (i) the dissolution of the Series pursuant to Section 11.1(b) or (ii) its removal or replacement pursuant to Section 4.3 or Article X. Unless otherwise set forth in the applicable Series Designation, the Managing Member or its Affiliates shall, as at the closing of any Initial Offering, hold at least 2.00% of the Interests

of the Series being issued pursuant to such Initial Offering. Unless provided otherwise in this Agreement, the Interests held by the Managing Member or any of its Affiliates shall be identical to those of an Economic Member and will not have any additional distribution, redemption, conversion or liquidation rights by virtue of its status as the Managing Member; provided, that the Managing Member shall have the rights, duties and obligations of the Managing Member hereunder, regardless of whether the Managing Member shall hold any Interests.

Section 3.2 Capital Contributions.

(a) The minimum number of Interests a Member may acquire is one (1) Interest or such higher or lesser amount as the Managing Member may determine from time to time and as specified in each Series Designation, as applicable. Persons acquiring Interests through an Initial Offering or Subsequent Offering shall make a Capital Contribution to the Company in an amount equal to the per share price determined in connection with such Initial Offering or Subsequent Offering and multiplied by the number of Interests acquired by such Person in such Initial Offering or Subsequent Offering, as applicable. Persons acquiring Interests in a manner other than through an Initial Offering or Subsequent Offering or pursuant to a Transfer shall make such Capital Contribution as shall be determined by the Managing Member in its sole discretion.

(b) Except as expressly permitted by the Managing Member, in its sole discretion (i) initial and any additional Capital Contributions to the Company or Series as applicable, by any Member shall be payable in currency and (ii) initial and any additional Capital Contributions shall be payable in one installment and shall be paid prior to the date of the proposed acceptance by the Managing Member of a Persons admission as a Member to a Series (or a Members application to acquire additional Interests) (or within five business days thereafter with the Managing Members approval). No Member shall be required to make an additional capital contribution to the Company or Series but may make an additional Capital Contribution to acquire additional interests at such Members sole discretion.

(c) Except to the extent expressly provided in this Agreement (including any Series Designation): (i) no Member shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent, if any, that distributions made pursuant to this Agreement or upon dissolution or termination of the Company or any Series may be considered as such by law and then only to the extent provided for in this Agreement; (ii) no Member holding any Series of any Interests of a Series shall have priority over any other Member holding the same Series either as to the return of Capital Contributions or as to distributions; (iii) no interest shall be paid by the Company or any Series on any Capital Contributions; and (iv) no Economic Member, in its capacity as such, shall participate in the operation or management of the business of the Company or any Series, transact any business in the Company or any Series name or have the power to sign documents for or otherwise bind the Company or any Series by reason of being a Member.

Section 3.3 Series of the Company.

(a) Establishment of Series. Subject to the provisions of this Agreement, the Managing Member may, at any time and from time to time and in compliance with paragraph (c), cause the Company to establish in writing (each, a **Series Designation**) one or more series as such term is used under Section 18-215 of the Delaware Act (each a **Series**). The Series Designation shall relate solely to the Series established thereby and shall not be construed: (i) to affect the terms and conditions of any other Series, or (ii) to designate, fix or determine the rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of Interests associated with any other Series, or the Members associated therewith. The terms and conditions for each Series established pursuant to this Section shall be as set forth in this Agreement and the Series Designation, as applicable, for the Series. Upon approval of any Series Designation by the Managing Member, such Series Designation shall be attached to this Agreement as an Exhibit until such time as none of such Interests of such Series remain Outstanding.

(b) Series Operation. Each of the Series shall operate to the extent practicable as if it were a separate limited liability company.

(c) Series Designation. The Series Designation establishing a Series may: (i) specify a name or names under which the business and affairs of such Series may be conducted; (ii) designate, fix and determine the relative rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of Interests of such Series and the Members associated therewith (to the extent such terms differ from those set forth in this Agreement) and (iii) designate or authorize the designation of specific Officers to be associated with such Series. A Series Designation (or any resolution of the Managing Member amending any Series Designation) shall be effective when a duly executed original of the same is included by the Managing Member among the permanent records of the Company, and shall be annexed to, and constitute part of, this Agreement (it being understood and agreed that, upon such effective date, the Series described in such Series Designation shall be deemed to have been established and the Interests of such Series shall be deemed to have been authorized in accordance with the provisions thereof). The Series Designation establishing a Series may set forth specific provisions governing the rights of such Series against a Member associated with such Series who fails to comply with the applicable provisions of this Agreement (including, for the avoidance of doubt, the applicable provisions of such Series Designation). In the event of a conflict between the terms and conditions of this Agreement and a Series Designation, the terms and conditions of the Series Designation shall prevail.

(d) Assets and Liabilities Associated with a Series.

(i) Assets Associated with a Series. All consideration received by the Company for the issuance or sale of Interests of a particular Series, together with all assets in which such consideration is invested or reinvested, and all income, earnings, profits and proceeds thereof, from whatever source derived, including any proceeds derived from the sale, exchange or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds, in whatever form the same may be (**assets**), shall, subject to the provisions of this

Agreement, be held for the benefit of the Series or the Members associated with such Series, and not for the benefit of the Members associated with any other Series, for all purposes, and shall be accounted for and recorded upon the books and records of the Series separately from any assets associated with any other Series. Such assets are herein referred to as **assets associated with that Series**. In the event that there are any assets in relation to the Company that, in the Managing Members reasonable judgment, are not readily associated with a particular Series, the Managing Member shall allocate such assets to, between or among any one or more of the Series, in such manner and on such basis as the Managing Member deems fair and equitable, and in accordance with the Allocation Policy, and any asset so allocated to a particular Series shall thereupon be deemed to be an asset associated with that Series. Each allocation by the Managing Member pursuant to the provisions of this paragraph shall be conclusive and binding upon the Members associated with each and every Series. Separate and distinct records shall be maintained for each and every Series, and the Managing Member shall not commingle the assets of one Series with the assets of any other Series.

(ii) Liabilities Associated with a Series. All debts, liabilities, expenses, costs, charges, obligations and reserves incurred by, contracted for or otherwise existing (**liabilities**) with respect to a particular Series shall be charged against the assets associated with that Series. Such liabilities are herein referred to as **liabilities associated with that Series**. In the event that there are any liabilities in relation to the Company that, in the Managing Members reasonable judgment, are not readily associated with a particular Series, the Managing Member shall allocate and charge (including indemnification obligations) such liabilities to, between or among any one or more of the Series, in such manner and on such basis as the Managing Member deems fair and equitable and in accordance with the Allocation Policy, and any liability so allocated and charged to a particular Series shall thereupon be deemed to be a liability associated with that Series. Each allocation by the Managing Member pursuant to the provisions of this Section shall be conclusive and binding upon the Members associated with each and every Series. All liabilities associated with a Series shall be enforceable against the assets associated with that Series only, and not against the assets associated with the Company or any other Series, and except to the extent set forth above, no liabilities shall be enforceable against the assets associated with any Series prior to the allocation and charging of such liabilities as provided above. Any allocation of liabilities that are not readily associated with a particular Series to, between or among one or more of the Series shall not represent a commingling of such Series to pool capital for the purpose of carrying on a trade or business or making common investments and sharing in profits and losses therefrom. The Managing Member has caused notice of this limitation on inter-series liabilities to be set forth in the Certificate of Formation, and, accordingly, the statutory provisions of Section 18 215(b) of the Delaware Act relating to limitations on inter-series liabilities (and the statutory effect under Section 18 207 of the Delaware Act of setting forth such notice in the Certificate of Formation) shall apply to the Company and each Series. Notwithstanding any other provision of this Agreement, no distribution on or in respect of Interests in a particular Series, including, for the avoidance of doubt, any distribution made in connection with the winding up of such Series, shall be effected by the Company other than from the assets associated with that Series, nor shall any Member or former Member associated with a Series otherwise have any right or claim against the assets associated with any other Series (except to the extent that such Member or former Member has

such a right or claim hereunder as a Member or former Member associated with such other Series or in a capacity other than as a Member or former Member).

(e) Ownership of Series Assets. Title to and beneficial interest in Series Assets shall be deemed to be held and owned by the relevant Series and no Member or Members of such Series, individually or collectively, shall have any title to or beneficial interest in specific Series Assets or any portion thereof. Each Member of a Series irrevocably waives any right that it may have to maintain an action for partition with respect to its interest in the Company, any Series or any Series Assets. Any Series Assets may be held or registered in the name of the relevant Series, in the name of a nominee or as the Managing Member may determine; *provided, however*, that Series Assets shall be recorded as the assets of the relevant Series on the Company's books and records, irrespective of the name in which legal title to such Series Assets is held. Any corporation, brokerage firm or transfer agent called upon to transfer any Series Assets to or from the name of any Series shall be entitled to rely upon instructions or assignments signed or purporting to be signed by the Managing Member or its agents without inquiry as to the authority of the person signing or purporting to sign such instruction or assignment or as to the validity of any transfer to or from the name of such Series.

(f) Prohibition on Issuance of Preference Interests. No Interests shall entitle any Member to any preemptive, preferential or similar rights unless such preemptive, preferential or similar rights are set forth in the applicable Series Designation on or prior to the date of the Initial Offering of any interests of such Series (the designation of such preemptive, preferential or similar rights with respect to a Series in the Series Designation, the **Interest Designation**).

Section 3.4 Authorization to Issue Interests.

(a) The Company may issue Interests, and options, rights and warrants relating to Interests, for any Company or Series purpose at any time and from time to time to such Persons for such consideration (which may be cash, property, services or any other lawful consideration) or for no consideration and on such terms and conditions as the Managing Member shall determine, all without the approval of the Economic Members. Each Interest shall have the rights and be governed by the provisions set forth in this Agreement (including any Series Designation).

(b) Subject to Section 6.3(a)(i), and unless otherwise provided in the applicable Series Designation, the Company is authorized to issue in respect of each Series an unlimited number of Interests. All Interests issued pursuant to, and in accordance with the requirements of, this ARTICLE III shall be validly issued Interests in the Company, except to the extent otherwise provided in the Delaware Act or this Agreement (including any Series Designation).

Section 3.5 Voting Rights of Interests Generally. Unless otherwise provided in this Agreement or any Series Designation, (i) each Record Holder of Interests shall be entitled to one vote per Interest for all matters submitted for the consent or approval of Members generally, (ii) all Record Holders of Interests (regardless of Series) shall vote together as a single class on all matters as to which all Record Holders of Interests are entitled to vote, (iii) Record Holders of a particular Series of Interest shall be entitled to one vote per Interest for all matters submitted for

the consent or approval of the Members of such Series and (iv) the Managing Member or any of its Affiliates shall not be entitled to vote in connection with any Interests they hold pursuant to Section 3.1(h) and no such Interests shall be deemed Outstanding for purposes of any such vote.

Section 3.6 Record Holders. The Company shall be entitled to recognize the Record Holder as the owner of an Interest and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Interest on the part of any other Person, regardless of whether the Company shall have actual or other notice thereof, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange or over-the-counter market on which such Interests are listed for trading (if ever). Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring or holding Interests, as between the Company on the one hand, and such other Persons on the other, such representative Person shall be the Record Holder of such Interests.

Section 3.7 Splits.

(a) Subject to paragraph (c) of this Section and Section 3.4, and unless otherwise provided in any Interest Designation, the Company may make a pro rata distribution of Interests of a Series to all Record Holders of such Series, or may effect a subdivision or combination of Interests of any Series, in each case, on an equal per Interest basis and so long as, after any such event, any amounts calculated on a per Interest basis or stated as a number of Interests are proportionately adjusted.

(b) Whenever such a distribution, subdivision or combination of Interests is declared, the Managing Member shall select a date as of which the distribution, subdivision or combination shall be effective. The Managing Member shall send notice thereof at least 10 Business Days prior to the date of such distribution, subdivision or combination to each Record Holder as of a date not less than 5 Business Days prior to the date of such distribution, subdivision or combination. The Managing Member also may cause a firm of independent public accountants selected by it to calculate the number of Interests to be held by each Record Holder after giving effect to such distribution, subdivision or combination. The Managing Member shall be entitled to rely on any certificate provided by such firm as conclusive evidence of the accuracy of such calculation.

(c) Subject to Section 3.4 and unless otherwise provided in any Series Designation, the Company shall not issue fractional Interests upon any distribution, subdivision or combination of Interests. If a distribution, subdivision or combination of Interests would otherwise result in the issuance of fractional Interests, each fractional Interest shall be rounded to the nearest whole Interest (and a 0.5 Interest shall be rounded to the next higher Interest).

Section 3.8 Agreements. The rights of all Members and the terms of all Interests are subject to the provisions of this Agreement (including any Series Designation).

ARTICLE IV - REGISTRATION AND TRANSFER OF INTERESTS.

Section 4.1 Maintenance of a Register. Subject to the restrictions on Transfer and ownership limitations contained below:

(a) The Company, or its appointee, shall keep or cause to be kept on behalf of the Company and each Series a register that will set forth the Record Holders of each of the Interests and information regarding the Transfer of each of the Interests. The Managing Member is hereby initially appointed as registrar and transfer agent of the Interests, provided that the Managing Member may appoint such third-party registrar and transfer agent as it determines appropriate in its sole discretion, for the purpose of registering Interests and Transfers of such Interests as herein provided, including as set forth in any Series Designation.

(b) Upon acceptance by the Managing Member of the Transfer of any Interest, each transferee of an Interest (i) shall be admitted to the Company as a Substitute Economic Member with respect to the Interests so transferred to such transferee when any such transfer or admission is reflected in the books and records of the Company, (ii) shall be deemed to agree to be bound by the terms of this Agreement by completing a Form of Adherence to the reasonable satisfaction of the Managing Member in accordance with Section 4.2(g)(ii), (iii) shall become the Record Holder of the Interests so transferred, (iv) grants powers of attorney to the Managing Member and any Liquidator of the Company and each of their authorized officers and attorneys in fact, as the case may be, as specified herein, and (v) makes the consents and waivers contained in this Agreement. The Transfer of any Interests and the admission of any new Economic Member shall not constitute an amendment to this Agreement, and no amendment to this Agreement shall be required for the admission of new Economic Members.

(c) Nothing contained in this Agreement shall preclude the settlement of any transactions involving Interests entered into through the facilities of any National Securities Exchange or over-the-counter market on which such Interests are listed or quoted for trading, if any.

Section 4.2 Ownership Limitations.

(a) No Transfer of any Economic Members Interest, whether voluntary or involuntary, shall be valid or effective, and no transferee shall become a substituted Economic Member, unless the written consent of the Managing Member has been obtained, which consent may be withheld in its sole and absolute discretion as further described in this Section 4.2. In the event of any Transfer, all of the conditions of the remainder of this Section must also be satisfied. Notwithstanding the foregoing but subject to Section 3.6, assignment of the economic benefits of ownership of Interests may be made without the Managing Members consent, provided that the assignee is not an ineligible or unsuitable investor under applicable law.

(b) No Transfer of any Economic Members Interests, whether voluntary or involuntary, shall be valid or effective unless the Managing Member determines, after consultation with legal counsel acting for the Company that such Transfer will not, unless waived by the Managing Member:

- (i) result in the transferee directly or indirectly exceeding the Individual Aggregate 12-Month Investment Limit or owning in excess of the Aggregate Ownership Limit;
 - (ii) result in there being 2,000 or more beneficial owners (as such term is used under the Exchange Act) or 500 or more beneficial owners that are not accredited investors (as defined under the Securities Act) of any Series of Interests, as specified in Section 12(g)(1)(A)(ii) of the Exchange Act, unless such Interests have been registered under the Exchange Act or the Company is otherwise an Exchange Act reporting company;
 - (iii) cause all or any portion of the assets of the Company or any Series to constitute plan assets for purposes of ERISA;
 - (iv) adversely affect the Company or such Series, or subject the Company, the Series, the Managing Member or any of their respective Affiliates to any additional regulatory or governmental requirements or cause the Company to be disqualified as a limited liability company or subject the Company, any Series, the Managing Member or any of their respective Affiliates to any tax to which it would not otherwise be subject;
 - (v) require registration of the Company, any Series or any Interests under any securities laws of the United States of America, any state thereof or any other jurisdiction; or
 - (vi) violate or be inconsistent with any representation or warranty made by the transferring Economic Member.
- (c) The transferring Economic Member, or such Economic Members legal representative, shall give the Managing Member prior written notice before making any voluntary Transfer and notice within thirty (30) days after any involuntary Transfer (unless such notice period is otherwise waived by the Managing Member), and shall provide sufficient information to allow legal counsel acting for the Company to make the determination that the proposed Transfer will not result in any of the consequences referred to in paragraphs (b)(i) through (b)(vi) above. If a Transfer occurs by reason of the death of an Economic Member or assignee, the notice may be given by the duly authorized representative of the estate of the Economic Member or assignee. The notice must be supported by proof of legal authority and valid assignment in form and substance acceptable to the Managing Member.
- (d) In the event any Transfer permitted by this Section shall result in beneficial ownership by multiple Persons of any Economic Members interest in the Company, the Managing Member may require one or more trustees or nominees to be designated to represent a portion of or the entire interest transferred for the purpose of receiving all notices which may be given and all payments which may be made under this Agreement, and for the purpose of exercising the rights which the transferor as an Economic Member had pursuant to the provisions of this Agreement.
- (e) A transferee shall be entitled to any future distributions attributable to the Interests transferred to such transferee and to transfer such Interests in accordance with the terms of this Agreement; provided, however, that such transferee shall not be entitled to the other rights of an

Economic Member as a result of such Transfer until he or she becomes a Substitute Economic Member.

(f) The Company and each Series shall incur no liability for distributions made in good faith to the transferring Economic Member until a written instrument of Transfer has been received by the Company and recorded on its books and the effective date of Transfer has passed.

(g) Any other provision of this Agreement to the contrary notwithstanding, any Substitute Economic Member shall be bound by the provisions hereof. Prior to recognizing any Transfer in accordance with this Section, the Managing Member may require, in its sole discretion:

(i) the transferring Economic Member and each transferee to execute one or more deeds or other instruments of Transfer in a form satisfactory to the Managing Member;

(ii) each transferee to acknowledge its assumption (in whole or, if the Transfer is in respect of part only, in the proportionate part) of the obligations of the transferring Economic Member by executing a Form of Adherence (or any other equivalent instrument as determined by the Managing Member);

(iii) each transferee to provide all the information required by the Managing Member to satisfy itself as to anti-money laundering, counter-terrorist financing and sanctions compliance matters; and

(iv) payment by the transferring Economic Member, in full, of the costs and expenses referred to in paragraph (h) below,

and no Transfer shall be completed or recorded in the books of the Company, and no proposed Substitute Economic Member shall be admitted to the Company as an Economic Member, unless and until each of these requirements has been satisfied or, at the sole discretion of the Managing Member, waived.

(h) The transferring Economic Member shall bear all costs and expenses arising in connection with any proposed Transfer, whether or not the Transfer proceeds to completion, including any legal fees incurred by the Company or any broker or dealer, any costs or expenses in connection with any opinion of counsel, and any transfer taxes and filing fees.

Section 4.3 Transfer of Interests and Obligations of the Managing Member.

(a) The Managing Member may Transfer all Interests acquired by the Managing Member (including all Interests acquired by the Managing Member in the Initial Offering pursuant to Section 3.1(h)) at any time and from time to time following the closing of the Initial Offering.

(b) The Economic Members hereby authorize the Managing Member to assign its rights, obligations and title as Managing Member to an Affiliate of the Managing Member without the prior consent of any other Person, and, in connection with such transfer, designate such Affiliate of the Managing Member as a successor Managing Member provided, that the Managing Member shall notify the applicable Economic Members of such change in the next regular communication to such Economic Members.

(c) Except as set forth in Section 4.3(b) above, in the event of the resignation of the Managing Member of its rights, obligations and title as Managing Member, the Managing Member shall nominate a successor Managing Member and the vote of a majority of the Interests held by Economic Members shall be required to elect such successor Managing Member. The Managing Member shall continue to serve as the Managing Member of the Company until such date as a successor Managing Member is elected pursuant to the terms of this Section 4.3(c).

Section 4.4 Remedies for Breach. If the Managing Member shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of this ARTICLE IV, the Managing Member shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Company to redeem shares, refusing to give effect to such Transfer on the books of the Company or instituting proceedings to enjoin such Transfer or other event.

ARTICLE V - MANAGEMENT AND OPERATION OF THE COMPANY AND EACH SERIES

Section 5.1 Power and Authority of Managing Member. Except as explicitly set forth in this Agreement, the Manager, as appointed pursuant to Section 3.1(h) of this Agreement, shall have full power and authority to do, and to direct the Officers to do, all things and on such terms as it determines to be necessary or appropriate to conduct the business of the Company and each Series, to exercise all powers set forth in Section 2.5 and to effectuate the purposes set forth in Section 2.4, in each case without the consent of the Economic Members, including but not limited to the following:

(a) the making of any expenditures, the lending or borrowing of money, the assumption or guarantee of, or other contracting for, indebtedness and other liabilities, the issuance of evidences of indebtedness, including entering into on behalf of a Series, an Operating Expenses Reimbursement Obligation, or indebtedness that is convertible into Interests, and the incurring of any other obligations;

(b) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Company or any Series (including, but not limited to, the filing of periodic reports on Forms 1-K, 1-SA and 1-U with the U.S. Securities and Exchange Commission), and the making of any tax elections;

(c) the acquisition, disposition, mortgage, pledge, encumbrance, hypothecation or exchange of any or all of the assets of the Company or any Series or the merger or other

combination of the Company with or into another Person and for the avoidance of doubt, any action taken by the Managing Member pursuant to this sub-paragraph shall not require the consent of the Economic Members;

(d) (i) the use of the assets of the Company (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of the Company and the repayment of obligations of the Company and (ii) the use of the assets of a Series (including cash on hand) for any purpose consistent with the terms of this Agreement, including the financing of the conduct of the operations of such Series and the repayment of obligations of such Series;

(e) the negotiation, execution and performance of any contracts, conveyances or other instruments (including instruments that limit the liability of the Company or any Series under contractual arrangements to all or particular assets of the Company or any Series);

(f) the declaration and payment of distributions of Free Cash Flows or other assets to Members associated with a Series;

(g) the election and removal of Officers of the Company or associated with any Series;

(h) the appointment of the Asset Manager in accordance with the terms of this Agreement;

(i) the selection, retention and dismissal of employees, agents, outside attorneys, accountants, consultants and contractors and the determination of their compensation and other terms of employment, retention or hiring, and the payment of fees, expenses, salaries, wages and other compensation to such Persons;

(j) the solicitation of proxies from holders of any Series of Interests issued on or after the date of this Agreement that entitles the holders thereof to vote on any matter submitted for consent or approval of Economic Members under this Agreement;

(k) the maintenance of insurance for the benefit of the Company, any Series and the Indemnified Persons and the reinvestment by the Managing Member in its sole discretion, of any proceeds received by such Series from an insurance claim in a replacement Series Asset which is substantially similar to that which comprised the Series Asset prior to the event giving rise to such insurance payment;

(l) the formation of, or acquisition or disposition of an interest in, and the contribution of property and the making of loans to, any limited or general partnership, joint venture, corporation, limited liability company or other entity or arrangement;

(m) the placement of any Free Cash Flow funds in deposit accounts in the name of a Series or of a custodian for the account of a Series, or to invest those Free Cash Flow funds in any other investments for the account of such Series, in each case pending the application of

those Free Cash Flow funds in meeting liabilities of the Series or making distributions or other payments to the Members (as the case may be);

Section 5.4 Advisory Board.

(a) The Managing Member may establish an **Advisory Board** comprised of members of the Managing Members expert network and external advisors. The Advisory Board will be available to provide guidance to the Managing Member on the strategy and progress of the Company. Additionally, the Advisory Board may: (i) be consulted with by the Managing Member in connection with the acquisition and disposal of a Series Asset, (ii) conduct an annual review of the Company's acquisition policy, (iii) provide guidance with respect to, material conflicts arising or that are reasonably likely to arise with the Managing Member, on the one hand, and the Company, a Series or the Economic Members, on the other hand, or the Company or a Series, on the one hand, and another Series, on the other hand, (iv) approve any material transaction between the Company or a Series and the Managing Member or any of its Affiliates, another Series or an Economic Member (other than the purchase of interests in such Series), (v) provide guidance with respect to the appropriate levels of annual fleet level insurance costs and maintenance costs specific to each individual Series Asset, and review fees, expenses, assets, revenues and availability of funds for distribution with respect to each Series on an annual basis and (vi) approve any service providers appointed by the Managing Member in respect of the Series Assets.

(b) If the Advisory Board determines that any member of the Advisory Boards interests conflict to a material extent with the interests of a Series or the Company as a whole, such member of the Advisory Board shall be excluded from participating in any discussion of the matters to which that conflict relates and shall not participate in the provision of guidance to the Managing Member in respect of such matters, unless a majority of the other members of the Advisory Board determines otherwise.

(c) The members of the Advisory Board shall not be entitled to compensation by the Company or any Series in connection with their role as members of the Advisory Board (including compensation for attendance at meetings of the Advisory Board), *provided, however*, the Company or any applicable Series shall reimburse a member of the Advisory Board for any out of pocket expenses or Operating Expenses actually incurred by it or any of its Affiliates on behalf of the Company or a Series when acting upon the Managing Members instructions or pursuant to a written agreement between the Company or a Series and such member of the Advisory Board or its Affiliates.

(d) The members of the Advisory Board shall not be deemed managers or other persons with duties to the Company or any Series (under Sections 18-1101 or 18-1104 of the Delaware Act or under any other applicable law or in equity) and shall have no fiduciary duty to the Company or any Series. The Managing Member shall be entitled to rely upon, and shall be fully protected in relying upon, reports and information of the Advisory Board to the extent the Managing Member reasonably believes that such matters are within the professional or expert competence of the members of the Advisory Board, and shall be protected under Section 18-406 of the Delaware Act in relying thereon.

Section 5.5 Exculpation, Indemnification, Advances and Insurance.

(a) Subject to other applicable provisions of this ARTICLE V including Section 5.7, the Indemnified Persons shall not be liable to the Company or any Series for any acts or omissions by any of the Indemnified Persons arising from the exercise of their rights or performance of their duties and obligations in connection with the Company or any Series, this Agreement or any investment made or held by the Company or any Series, including with respect to any acts or omissions made while serving at the request of the Company or on behalf of any Series as an officer, director, member, partner, fiduciary or trustee of another Person, other than such acts or omissions that have been determined in a final, non-appealable decision of a court of competent jurisdiction to constitute fraud, willful misconduct or gross negligence. The Indemnified Persons shall be indemnified by the Company and, to the extent Expenses and Liabilities are associated with any Series, each such Series, in each case, to the fullest extent permitted by law, against all expenses and liabilities (including judgments, fines, penalties, interest, amounts paid in settlement with the approval of the Company and counsel fees and disbursements on a solicitor and client basis) (collectively, **Expenses and Liabilities**) arising from the performance of any of their duties or obligations in connection with their service to the Company or each such Series or this Agreement, or any investment made or held by the Company, each such Series, including in connection with any civil, criminal, administrative, investigative or other action, suit or proceeding to which any such Person may hereafter be made party by reason of being or having been a manager of the Company or such Series under Delaware law, an Officer of the Company or associated with such Series, a member of the Advisory Board or an officer, director, member, partner, fiduciary or trustee of another Person, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud, willful misconduct or gross negligence. Without limitation, the foregoing indemnity shall extend to any liability of any Indemnified Person, pursuant to a loan guaranty or otherwise, for any indebtedness of the Company or any Series (including any indebtedness which the Company or any Series has assumed or taken subject to), and the Managing Member or the Officers are hereby authorized and empowered, on behalf of the Company or any Series, to enter into one or more indemnity agreements consistent with the provisions of this Section in favor of any Indemnified Person having or potentially having liability for any such indebtedness. It is the intention of this paragraph that the Company and each applicable Series indemnify each Indemnified Person to the fullest extent permitted by law, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud, willful misconduct or gross negligence.

(b) The provisions of this Agreement, to the extent they restrict the duties and liabilities of an Indemnified Person otherwise existing at law or in equity, including Section 5.7, are agreed by each Member to modify such duties and liabilities of the Indemnified Person to the maximum extent permitted by law.

(c) Any indemnification under this Section (unless ordered by a court) shall be made by each applicable Series. To the extent, however, that an Indemnified Person has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in

defense of any claim, issue or matter therein, such Indemnified Person shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by such Indemnified Person in connection therewith.

(d) Any Indemnified Person may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under paragraph (a). The basis of such indemnification by a court shall be a determination by such court that indemnification of the Indemnified Person is proper in the circumstances because such Indemnified Person has met the applicable standards of conduct set forth in paragraph (a). Neither a contrary determination in the specific case under paragraph (c) nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the Indemnified Person seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this paragraph shall be given to the Company promptly upon the filing of such application. If successful, in whole or in part, the Indemnified Person seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

(e) To the fullest extent permitted by law, expenses (including attorney's fees) incurred by an Indemnified Person in defending any civil, criminal, administrative or investigative action, suit or proceeding may, at the option of the Managing Member, be paid by each applicable Series in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by each such Series as authorized in this Section.

(f) The indemnification and advancement of expenses provided by or granted pursuant to this Section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under this Agreement, or any other agreement (including without limitation any Series Designation), vote of Members or otherwise, and shall continue as to an Indemnified Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnified Person unless otherwise provided in a written agreement with such Indemnified Person or in the writing pursuant to which such Indemnified Person is indemnified, it being the policy of the Company that indemnification of the persons specified in paragraph (a) shall be made to the fullest extent permitted by law. The provisions of this Section shall not be deemed to preclude the indemnification of any person who is not specified in paragraph (a) but whom the Company or an applicable Series has the power or obligation to indemnify under the provisions of the Delaware Act.

(g) The Company and any Series may, but shall not be obligated to, purchase and maintain insurance on behalf of any Person entitled to indemnification under this Section against any liability asserted against such Person and incurred by such Person in any capacity to which they are entitled to indemnification hereunder, or arising out of such Persons status as such, whether or not the Company would have the power or the obligation to indemnify such Person against such liability under the provisions of this Section.

(h) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section shall, unless otherwise provided when authorized or ratified, inure to the benefit of the heirs, executors and administrators of any person entitled to indemnification under this Section.

(i) The Company and any Series may, to the extent authorized from time to time by the Managing Member, provide rights to indemnification and to the advancement of expenses to employees and agents of the Company or such Series.

(j) If this Section or any portion of this Section shall be invalidated on any ground by a court of competent jurisdiction each applicable Series shall nevertheless indemnify each Indemnified Person as to expenses (including attorney's fees), judgments, fines, and amounts paid in settlement with respect to any action, suit, proceeding or investigation, whether civil, criminal or administrative, including a grand jury proceeding or action or suit brought by or in the right of the Company, to the full extent permitted by any applicable portion of this Section that shall not have been invalidated.

(k) Each of the Indemnified Persons may, in the performance of his, her or its duties, consult with legal counsel, accountants, and other experts, and any act or omission by such Person on behalf of the Company or any Series in furtherance of the interests of the Company or such Series in good faith in reliance upon, and in accordance with, the advice of such legal counsel, accountants or other experts will be full justification for any such act or omission, and such Person will be fully protected for such acts and omissions; *provided* that such legal counsel, accountants, or other experts were selected with reasonable care by or on behalf of such Indemnified Person.

(l) An Indemnified Person shall not be denied indemnification in whole or in part under this Section because the Indemnified Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(m) Any liabilities which an Indemnified Person incurs as a result of acting on behalf of the Company or any Series (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the Internal Revenue Service, penalties assessed by the Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities indemnifiable under this Section, to the maximum extent permitted by law.

(n) The Managing Member shall, in the performance of its duties, be fully protected in relying in good faith upon the records of the Company and any Series and on such information, opinions, reports or statements presented to the Company by any of the Officers or employees of the Company or associated with any Series, or by any other Person as to matters the Managing Member reasonably believes are within such other Persons professional or expert competence (including, without limitation, the Advisory Board).

(o) Any amendment, modification or repeal of this Section or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability of or other rights of any indemnitee under this Section as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted and provided such Person became an indemnitee hereunder prior to such amendment, modification or repeal.

Section 5.6 Duties of Officers.

(a) Except as set forth in Sections 5.5 and 5.7, as otherwise expressly provided in this Agreement or required by the Delaware Act, (i) the duties and obligations owed to the Company by the Officers shall be the same as the duties and obligations owed to a corporation organized under DGCL by its officers, and (ii) the duties and obligations owed to the Members by the Officers shall be the same as the duties and obligations owed to the stockholders of a corporation under the DGCL by its officers.

(b) The Managing Member shall have the right to exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it thereunder either directly or by or through the duly authorized Officers of the Company or associated with a Series, and the Managing Member shall not be responsible for the misconduct or negligence on the part of any such Officer duly appointed or duly authorized by the Managing Member in good faith.

Section 5.7 Standards of Conduct and Modification of Duties of the Managing Member. Notwithstanding anything to the contrary herein or under any applicable law, including, without limitation, Section 18 1101(c) of the Delaware Act, the Managing Member, in exercising its rights hereunder in its capacity as the managing member of the Company, shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation (fiduciary or otherwise) to give any consideration to any interest of or factors affecting the Company, any Series or any Economic Members, and shall not be subject to any other or different standards imposed by this Agreement, any other agreement contemplated hereby, under the Delaware Act or under any other applicable law or in equity. The Managing Member shall not have any duty (including any fiduciary duty) to the Company, any Series, the Economic Members or any other Person, including any fiduciary duty associated with self-dealing or corporate opportunities, all of which are hereby expressly waived. This Section shall not in any way reduce or otherwise limit the specific obligations of the Managing Member expressly provided in this Agreement or in any other agreement with the Company or any Series.

Section 5.8 Reliance by Third Parties. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Company or any Series shall be entitled to assume that the Managing Member and any Officer of the Company or any Series has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company or such Series and to enter into any contracts on behalf of the Company or such Series, and such Person shall be entitled to deal with the Managing Member or any Officer as if it were the Company's or such Series sole party in interest, both legally and beneficially. Each Economic Member hereby waives, to the fullest extent permitted by law, any and all defenses or other

remedies that may be available against such Person to contest, negate or disaffirm any action of the Managing Member or any Officer in connection with any such dealing. In no event shall any Person dealing with the Managing Member or any Officer or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the Managing Member or any Officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company or any Series by the Managing Member or any Officer or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement were in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company or any Series and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company or the applicable Series.

Section 5.9 Certain Conflicts of Interest. The resolution of any Conflict of Interest approved by the Advisory Board shall be conclusively deemed to be fair and reasonable to the Company and the Members and not a breach of any duty hereunder at law, in equity or otherwise.

Section 5.10 Appointment of the Asset Manager. The Managing Member exercises ultimate authority over the Series Assets. Pursuant to Section 5.3, the Managing Member has the right to delegate its responsibilities under this Agreement in respect of the management of the Series Assets. The Managing Member has agreed on behalf of the Company to appoint the Asset Manager to manage the Series Assets on a discretionary basis, and to exercise, to the exclusion of the Managing Member (but under the supervision and authority of the Managing Member), all the powers, rights and discretions conferred on the Managing Member in respect of the Series Assets and, the Managing Member on behalf of each Series, will enter into an Asset Management Agreement pursuant to which the Asset Manager is formally appointed to manage the Series Assets. The consideration payable to the Asset Manager for managing the Series Assets will be the Management Fee.

ARTICLE VI - FEES AND EXPENSES

Section 6.1 Cost to acquire the Series Asset; Brokerage Fee; Offering Expenses; Acquisition Expenses; Sourcing Fee. The following fees, costs and expenses in connection with any Initial Offering and the sourcing and acquisition of a Series Asset shall be borne by the relevant Series (except in the case of an unsuccessful Offering in which case all Abort Costs shall be borne by the Managing Member, and except to the extent assumed by the Managing Member in writing):

Section 6.3 Excess Operating Expenses; Further Issuance of Interests; Operating Expenses Reimbursement Obligation(s).

(a) If there are not sufficient cash reserves of, or revenues generated by, a Series to meet its Operating Expenses, the Managing Member may:

(i) issue additional Interests in such Series in accordance with Section 3.4. Economic Members shall be notified in writing at least 10 Business Days in advance of any proposal by the Managing Member to issue additional Interests pursuant to this Section; and/or

(ii) pay such excess Operating Expenses and not seek reimbursement; and/or

(iii) enter into an agreement pursuant to which the Managing Member loans to the Company an amount equal to the remaining excess Operating Expenses (the **Operating Expenses Reimbursement Obligation(s)**). The Managing Member, in its sole discretion, may impose a reasonable rate of interest (a rate no less than the Applicable Federal Rate (as defined in the Code)) on any Operating Expenses Reimbursement Obligation. The Operating Expenses Reimbursement Obligation(s) shall become repayable when cash becomes available for such purpose in accordance with ARTICLE VII.

Section 6.4 Allocation of Expenses. Any Brokerage Fee, Offering Expenses, Acquisition Expenses, Sourcing Fee and Operating Expenses shall be allocated by the Managing Member in accordance with the Allocation Policy.

Section 6.5 Overhead of the Managing Member. The Managing Member shall pay and the Economic Members shall not bear the cost of: (i) any annual administration fee to the Broker or such other amount as is agreed between the Broker and the Managing Member from time to time, (ii) all of the ordinary overhead and administrative expenses of the Managing Member including, without limitation, all costs and expenses on account of rent, utilities, insurance, office supplies, office equipment, secretarial expenses, stationery, charges for furniture, fixtures and equipment, payroll taxes, travel, entertainment, salaries and bonuses, but excluding any Operating Expenses, (iii) any Abort Costs, and (iv) such other amounts in respect of any Series as it shall agree in writing or as is explicitly set forth in any Offering Document.

ARTICLE VII - DISTRIBUTIONS

Section 7.2 Application of Amounts upon the Liquidation of a Series. Subject to Section 7.3 and ARTICLE XI and any Interest Designation, any amounts available for distribution following the liquidation of a Series, net of any fees, costs and liabilities (as determined by the Managing Member in its sole discretion), shall be applied and distributed 100% to the Members (pro rata to their Interests and which, for the avoidance of doubt, may include the Managing Member and its Affiliates).

Section 7.3 Timing of Distributions.

(a) Subject to the applicable provisions of the Delaware Act and except as otherwise provided herein, the Managing Member shall pay distributions to the Members associated with such Series pursuant to Section 7.1, at such times as the Managing Member shall reasonably determine, and pursuant to Section 7.2, as soon as reasonably practicable after the relevant amounts have been received by the Series; *provided that*, the Managing Member shall not be obliged to make any distribution pursuant to this Section (i) unless there are sufficient amounts available for such distribution or (ii) which, in the reasonable opinion of the Managing Member, would or might leave the Company or such Series with insufficient funds to meet any future contemplated obligations or contingencies including to meet any Operating Expenses and outstanding Operating Expenses Reimbursement Obligations (and the Managing Member is hereby authorized to retain any amounts within the Company to create a reserve to meet any such obligations or contingencies), or which otherwise may result in the Company or such Series having unreasonably small capital for the Company or such Series to continue its business as a going concern. Subject to the terms of any Series Designation (including, without limitation, the preferential rights, if any, of holders of any other class of Interests of the applicable Series), distributions shall be paid to the holders of the Interests of a Series on an equal per Interest basis as of the Record Date selected by the Managing Member. Notwithstanding any provision to the contrary contained in this Agreement, the Company shall not be required to make a distribution to any Member on account of its interest in any Series if such distribution would violate the Delaware Act or other applicable law.

(b) Notwithstanding Section 7.2 and Section 7.3(a), in the event of the termination and liquidation of a Series, all distributions shall be made in accordance with, and subject to the terms and conditions of, ARTICLE XI.

(c) Each distribution in respect of any Interests of a Series shall be paid by the Company, directly or through any other Person or agent, only to the Record Holder of such Interests as of the Record Date set for such distribution. Such payment shall constitute full payment and satisfaction of the Company and such Series liability in respect of such payment, regardless of any claim of any Person who may have an interest in such payment by reason of an assignment or otherwise.

Section 7.4 Distributions in kind. Distributions in kind of the entire or part of a Series Asset to Members are prohibited.

(b) Each Member shall have the right, upon reasonable demand for any purpose reasonably related to the Members Interest as a member of the Company (as reasonably determined by the Managing Member) to such information pertaining to the Company as a whole and to each Series in which such Member has an Interest, as provided in Section 18-305 of the Delaware Act; provided, that prior to such Member having the ability to access such information, the Managing Member shall be permitted to require such Member to enter into a confidentiality agreement in form and substance reasonably acceptable to the Managing Member. For the avoidance of doubt, except as may be required pursuant to Article X, a Member shall only have access to the information (including any Series Designation) referenced with respect to any Series in which such Member has an Interest and not to any Series in which such Member does not have an Interest.

(c) Except as otherwise set forth in the applicable Series Designation, within 120 calendar days after the end of the fiscal year and 90 calendar days after the end of the semi-annual reporting date, the Managing Member shall use its commercially reasonable efforts to circulate to each Economic Member electronically by e-mail or made available via an online platform:

The Company will make an election on IRS Form 8832 for each Series to be treated as an association taxable as a corporation under Subchapter C of the Code and not as a partnership under Subchapter K of the Code.

ARTICLE X - REMOVAL OF THE MANAGING MEMBER

The Managing Member shall call a meeting of all of the Economic Members of the Company within 30 calendar days of such final non-appealable judgment of a court of competent jurisdiction, at which the Economic Members may (i) by Super Majority Vote, remove the Managing Member of the Company and each relevant Series in accordance with this ARTICLE X and (ii) if the Managing Member is so removed, by a plurality, appoint a replacement Managing Member or the liquidation and dissolution and termination the Company and each of the Series in accordance with ARTICLE XI. In the event of its removal, the Managing Member shall be entitled to receive all amounts that have accrued and are then currently due and payable to it pursuant to this Agreement but shall forfeit its right to any future distributions. If the Managing Member of a Series and the Asset Manager of a Series shall be the same Person or controlled Affiliates, then the Managing Members appointment as Asset Manager of such Series shall concurrently automatically terminate. Prior to its admission as a Managing Member of any Series, any replacement Managing Member shall acquire the Interests held by the departing Managing Member in such Series for fair market value and in cash immediately payable on the Transfer of such Interests and appoint a replacement Asset Manager on the same terms and

conditions set forth herein and in the Asset Management Agreement. For the avoidance of doubt, if the Managing Member is removed as Managing Member of the Company it shall also cease to be Managing Member of each of the Series.

Section 15.8 Applicable Law and Jurisdiction.

(a) This Agreement and the rights of the parties shall be governed by and construed in accordance with the laws of the State of Delaware. Non-contractual obligations (if any) arising out of or in connection with this agreement (including its formation) shall also be governed by the laws of the State of Delaware. The rights and liabilities of the Members in the Company and each Series and as between them shall be determined pursuant to the Delaware Act and this Agreement. To the extent the rights or obligations of any Member are different by reason of any provision of this Agreement than they would otherwise be under the Delaware Act in the absence of any such provision, or even if this Agreement is inconsistent with the Delaware Act, this Agreement shall control, except to the extent the Delaware Act prohibits any particular provision of the Delaware Act to be waived or modified by the Members, in which event any contrary provisions hereof shall be valid to the maximum extent permitted under the Delaware Act.

(b) To the fullest extent permitted by applicable law, any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with this Agreement, or the transactions contemplated hereby shall be brought in Chancery Court in the State of Delaware and each Member hereby consents to the exclusive jurisdiction of the Chancery Court in the State of Delaware (and of the appropriate appellate courts therefrom) in any suit, action or proceeding, and irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. To the fullest extent permitted by applicable law, each Member hereby waives the right to commence an action, suit or proceeding seeking to enforce any provisions of, or based on any matter arising out of or in connection with this Agreement, or the transactions contemplated hereby or thereby in any court outside of the Chancery Court in the State of Delaware except to the extent otherwise explicitly provided herein. The provisions of this Section 15.8(b) shall not be applicable to an action, suit or proceeding to the extent it pertains to a matter as to which the claims are exclusively vested in the jurisdiction of a court or forum other than the Court of Chancery of the State of Delaware, or if the Chancery Court in the State of Delaware does not have jurisdiction over such matter. The Company acknowledges for the avoidance of doubt that this Section 15.8(b) shall not apply to claims arising under the Securities Act and the Exchange Act, and by agreeing to the provisions of this Section 15.8(b), each Member will not be deemed

to have waived compliance with U.S. federal securities laws and the rules and regulations promulgated thereunder. (c) Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any court. Without limiting the foregoing, each party agrees that service of process on such party by written notice pursuant to Section 11.1 will be deemed effective service of process on such party.

(d) TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EVERY PARTY TO THIS AGREEMENT AND ANY OTHER PERSON WHO BECOMES A MEMBER OR HAS RIGHTS AS AN ASSIGNEE OF ANY PORTION OF ANY MEMBERS MEMBERSHIP INTEREST HEREBY WAIVES ANY RIGHT TO A JURY TRIAL AS TO ANY MATTER UNDER THIS AGREEMENT OR IN ANY OTHER WAY RELATING TO THE COMPANY OR THE RELATIONS UNDER THIS AGREEMENT OR OTHERWISE AS TO THE COMPANY AS BETWEEN OR AMONG ANY SAID PERSONS. NOTWITHSTANDING THE ABOVE, THE FOREGOING WAIVER OF THE RIGHT TO A JURY TRIAL DOES NOT APPLY TO CLAIMS ARISING UNDER THE SECURITIES ACT AND THE EXCHANGE ACT.

Section 15.9 Invalidity of Provisions. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

Section 15.10 Consent of Members. Each Member hereby expressly consents and agrees that, whenever in this Agreement it is specified that an action may be taken upon the affirmative vote or consent of less than all of the Members, such action may be so taken upon the concurrence of less than all of the Members and each Member shall be bound by the results of such action.

SUBSCRIPTION AGREEMENT
SERIES #EINSTEIN, A SERIES OF RSE ARCHIVE, LLC

RSE Archive Manager, LLC, as managing member of RSE Archive, LLC
250 Lafayette Street, 3rd Floor
New York, NY 10012

Ladies and Gentlemen:

1. Subscription. The person named on the front of this subscription agreement (the “Purchaser”) (this “Subscription Agreement”), intending to be legally bound, hereby irrevocably agrees to purchase from Series #EINSTEIN, a series of RSE Archive, LLC, a Delaware series limited liability company (the “Company”), the number of Series #EINSTEIN Interests (the “Series #EINSTEIN Interests”) set forth on the front of this Subscription Agreement at a purchase price of \$7.25 (USD) per Series #EINSTEIN Interest and on the terms and conditions of the Operating Agreement governing the Company dated on or around the date of acceptance of this subscription by RSE Archive Manager, LLC, the managing member of the Company (the “Manager”), as amended and restated from time to time (the “Operating Agreement”), a copy of which the Purchaser has received and read.

This subscription is submitted by the Purchaser in accordance with and subject to the terms and conditions described in this Subscription Agreement, relating to the exempt offering by the Company of up to 2,000 Series #EINSTEIN Interests for maximum aggregate gross proceeds of \$14,500 (the “Offering”), unless further Series #EINSTEIN Interests are issued by the Company in accordance with the terms of the Operating Agreement.

Upon the basis of the representations and warranties, and subject to the terms and conditions, set forth herein, the Company agrees to issue and sell the Series #EINSTEIN Interests to the Purchaser on the date the Offering is closed (the “Closing”) for the aggregate purchase price set forth on the front page hereto (the “Subscription Price”).

2. Payment. Concurrent with the execution hereof, the Purchaser authorizes (i) Atlantic Capital Bank (the “Escrow Agent”) as escrow agent for the Company, to request the Subscription Price from the Purchaser’s bank (details of which are set out in the “Payment Details” section above) or (ii) the transfer of funds in an amount equal to the Subscription Price from the Purchaser’s bank account into the escrow account through the payment services of a payment services provider, integrated with the mobile app-based investment platform called Rally Rd.™ (or its successor platform) operated by the Manager or its affiliates. The Company shall cause the Escrow Agent to maintain all such funds for the Purchaser’s benefit in a segregated non-interest-bearing account until the earliest to occur of: (i) the Closing, (ii) the rejection of such subscription or (iii) the termination of the Offering by the Manager in its sole discretion.

3. Termination of Offering or Rejection of Subscription.

3.1 In the event that (a) the Company does not effect the Closing on or before the date which is one year from the Offering being qualified by the U.S. Securities and Exchange Commission (the “SEC”), which period may be extended for an additional six months by the Manager in its sole discretion, or (b) the Offering is terminated by the Manager in its sole discretion, the Company will cause the Escrow Agent to refund the Subscription Price paid by the Purchaser, without deduction, offset or interest accrued thereon and this Subscription Agreement shall thereafter be of no further force or effect.

3.2 The Purchaser understands and agrees that the Manager, in its sole discretion, reserves the right to accept or reject this or any other subscription for Series #EINSTEIN Interests, in whole or in part, and for any reason or no reason, notwithstanding prior receipt by the Purchaser of notice of acceptance of this subscription. If the Manager rejects a subscription, either in whole or in part (which decision is in its sole discretion), the Manager shall cause the Escrow Agent to return the rejected Subscription Price or the rejected portion thereof to the Purchaser without deduction, offset or interest accrued thereon. If this subscription is rejected in whole this Subscription Agreement shall thereafter be of no further force or effect. If this subscription is rejected in part, this Subscription Agreement will continue in full force and effect to the extent this subscription was accepted.

4. Acceptance of Subscription. At the Closing, if the Manager accepts this subscription in whole or in part, the Company shall execute and deliver to the Purchaser a counterpart executed copy of this Subscription Agreement and cause the Escrow Agent to release the Subscription Price (or applicable portion thereof if such subscription is only accepted in part) to the Company for the benefit of Series #EINSTEIN. The Company shall have no obligation hereunder until the Company shall execute and deliver to the Purchaser an executed copy of this Subscription Agreement, and until the Purchaser shall have executed and delivered to the Manager this Subscription Agreement and a substitute Form W-9 (if applicable) and shall have deposited the Purchase Price in accordance with this Agreement. The Purchaser understands and agrees that this subscription is made subject to the condition that the Series #EINSTEIN Interests to be issued and delivered on account of this subscription will be issued only in the name of and delivered only to the Purchaser. Effective upon the Company's execution of this Subscription Agreement, the Purchaser shall be a member of the Company, and the Purchaser agrees to adhere to and be bound by, the terms and conditions of the Operating Agreement as if the Purchaser were a party to it (and grants to the Manager the power of attorney described therein).

5. Representations and Warranties, Acknowledgments, and Agreements. The Purchaser hereby acknowledges, represents, warrants and agrees to and with the Company, Series #EINSTEIN and the Manager as follows:

(a) The Purchaser is aware that an investment in the Series #EINSTEIN Interests involves a significant degree of risk, and the Purchaser understands that the Company is subject to all the risks applicable to early-stage companies. The Purchaser acknowledges that no representations or warranties have been made to it or to its advisors or representatives with respect to the business or prospects of the Company or its financial condition.

(b) The offering and sale of the Series #EINSTEIN Interests has not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws. The Purchaser understands that the offering and sale of the Series #EINSTEIN Interests is intended to be exempt from registration under the Securities Act, by virtue of Tier 2 of Regulation A thereof, based, in part, upon the representations, warranties and agreements of the Purchaser contained in this Subscription Agreement, including, without limitation, the investor qualification ("Investor Qualification and Attestation") immediately following the signature page of this Subscription Agreement. The Purchaser is purchasing the Series #EINSTEIN Interests for its own account for investment purposes only and not with a view to or intent of resale or distribution thereof in violation of any applicable securities laws, in whole or in part.

(c) The Purchaser, as set forth in the Investor Certification attached hereto, as of the date hereof is a "qualified purchaser" as that term is defined in Regulation A (a "Qualified Purchaser"). The Purchaser agrees to promptly provide the Manager, the BOR (as defined on the

first page hereto) and their respective agents with such other information as may be reasonably necessary for them to confirm the Qualified Purchaser status of the Purchaser.

(d) The Purchaser acknowledges that the Purchaser's responses to the investor qualification questions posed in the Rally Rd.TM Platform and reflected in the Investor Qualification and Attestation, are complete and accurate as of the date hereof.

(e) The Purchaser acknowledges that neither the SEC nor any state securities commission or other regulatory authority has passed upon or endorsed the merits of the offering of the Series #EINSTEIN Interests.

(f) In evaluating the suitability of an investment in the Series #EINSTEIN Interests, the Purchaser has not relied upon any representation or information (oral or written) other than as set forth in the Company's Offering Circular dated November 15, 2019 (as amended the "Offering Circular"), the Operating Agreement and this Subscription Agreement.

(g) Except as previously disclosed in writing to the Company, the Purchaser has taken no action that would give rise to any claim by any person for brokerage commissions, finders' fees or the like relating to this Subscription Agreement or the transactions contemplated hereby and, in turn, to be paid to its selected dealers, and in all instances the Purchaser shall be solely liable for any such fees and shall indemnify the Company with respect thereto pursuant to paragraph 6 of this Subscription Agreement.

(h) The Purchaser, together with its advisors, if any, has such knowledge and experience in financial, tax, and business matters, and, in particular, investments in securities, so as to enable it to utilize the Offering Circular to evaluate the merits and risks of an investment in the Series #EINSTEIN Interests and the Company and to make an informed investment decision with respect thereto.

(i) The Purchaser is not relying on the Company, the Manager, the BOR or any of their respective employees or agents with respect to the legal, tax, economic and related considerations of an investment in the Series #EINSTEIN Interests, and the Purchaser has relied on the advice of, or has consulted with, only its own advisors, if any, whom the Purchaser has deemed necessary or appropriate in connection with its purchase of the Series #EINSTEIN Interests.

(j) No consent, approval, authorization or order of any court, governmental agency or body or arbitrator having jurisdiction over the Purchaser or any of the Purchaser's affiliates is required for the execution of this Subscription Agreement or the performance of the Purchaser's obligations hereunder, including, without limitation, the purchase of the Series #EINSTEIN Interests by the Purchaser.

(k) The Purchaser has adequate means of providing for such Purchaser's current financial needs and foreseeable contingencies and has no need for liquidity of its investment in the Series #EINSTEIN Interests for an indefinite period of time.

(l) The Purchaser (i) if a natural person, represents that the Purchaser has reached the age of 21 (or 18 in states with such applicable age limit) and has full power and authority to execute and deliver this Subscription Agreement and all other related agreements or certificates and to carry out the provisions hereof and thereof; or (ii) if a corporation, partnership, or limited liability company or other entity, represents that such entity was not formed for the specific purpose of acquiring the Series #EINSTEIN Interests, such entity is duly organized, validly existing and in

good standing under the laws of the state of its organization, the consummation of the transactions contemplated hereby is authorized by, and will not result in a violation of state law or its charter or other organizational documents, such entity has full power and authority to execute and deliver this Subscription Agreement and all other related agreements or certificates and to carry out the provisions hereof and thereof and to purchase and hold the Series #EINSTEIN Interests, the execution and delivery of this Subscription Agreement has been duly authorized by all necessary action, this Subscription Agreement has been duly executed and delivered on behalf of such entity and is a legal, valid and binding obligation of such entity; or (iii) if executing this Subscription Agreement in a representative or fiduciary capacity, represents that it has full power and authority to execute and deliver this Subscription Agreement in such capacity and on behalf of the subscribing individual, ward, partnership, trust, estate, corporation, or limited liability company or partnership, or other entity for whom the Purchaser is executing this Subscription Agreement, and such individual, partnership, ward, trust, estate, corporation, or limited liability company or partnership, or other entity has full right and power to perform pursuant to this Subscription Agreement and make an investment in the Company, and represents that this Subscription Agreement constitutes a legal, valid and binding obligation of such entity. The execution and delivery of this Subscription Agreement will not violate or be in conflict with any order, judgment, injunction, agreement or controlling document to which the Purchaser is a party or by which it is bound.

(m) Any power of attorney of the Purchaser granted in favor of the Manager contained in the Operating Agreement has been executed by the Purchaser in compliance with the laws of the state, province or jurisdiction in which such agreements were executed.

(n) If an entity, the Purchaser has its principal place of business or, if a natural person, the Purchaser has its primary residence, in the jurisdiction (state and/or country) set forth in the “Investor Qualification and Attestation” section of this Subscription Agreement. The Purchase first learned of the offer and sale of the Series #EINSTEIN Interests in the state listed in the “Investor Qualification and Attestation” section of this Subscription Agreement, and the Purchaser intends that the securities laws of that state shall govern the purchase of the Purchaser’s Series #EINSTEIN Interests.

The Purchaser is not (A) a discretionary account or similar account (other than an estate or trust) held for the benefit or account of a non-U.S. person by a dealer or other professional fiduciary organized, incorporated, or (if an individual) resident in the United States, (B) an estate of which any professional fiduciary acting as executor or administrator is a U.S. person if an executor or administrator of the estate who is not a U.S. person has sole or shared investment discretion with respect to the assets of the estate and the estate is governed by foreign law, (C) a trust of which any professional fiduciary acting as trustee is a U.S. person, if a trustee who is not a U.S. person has sole or shared investment discretion with respect to the trust assets and no beneficiary of the trust (and no settlor if the trust is revocable) is a U.S. person, (D) an employee benefit plan established and administered in accordance with the law of a country other than the United States and customary practices and documentation of such country, or (E) an agency or

branch of a U.S. person located outside the United States that operates for valid business reasons engaged in the business of insurance or banking that is subject to substantive insurance or banking regulation, respectively, in the jurisdiction where located.

(p) Any information which the Purchaser has heretofore furnished or is furnishing herewith to the Company is true, complete and accurate and may be relied upon by the Manager, the Company and the BOR, in particular, in determining the availability of an exemption from registration under federal and state securities laws in connection with the Offering. The Purchaser further represents and warrants that it will notify and supply corrective information to the Company immediately upon the occurrence of any change therein occurring prior to the Company's issuance of the Series #EINSTEIN Interests.

(q) The Purchaser is not, nor is it acting on behalf of, a "benefit plan investor" within the meaning of 29 C.F.R. § 2510.3-101(f)(2), as modified by Section 3(42) of the Employee Retirement Income Security Act of 1974 (such regulation, the "Plan Asset Regulation", and a benefit plan investor described in the Plan Asset Regulation, a "Benefit Plan Investor"). For the avoidance of doubt, the term Benefit Plan Investor includes all employee benefit plans subject to Part 4, Subtitle B, Title I of ERISA, any plan to which Section 4975 of the Code applies and any entity, including any insurance company general account, whose underlying assets constitute "plan assets", as defined under the Plan Asset Regulation, by reason of a Benefit Plan Investor's investment in such entity.

(r) The Purchaser is satisfied that the Purchaser has received adequate information with respect to all matters which it or its advisors, if any, consider material to its decision to make this investment.

(s) Within five (5) days after receipt of a written request from the Manager, the Purchaser will provide such information and deliver such documents as may reasonably be necessary to comply with any and all laws and ordinances to which the Company is subject.

(t) THE SERIES #EINSTEIN INTERESTS OFFERED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY STATE SECURITIES LAWS AND ARE BEING OFFERED AND SOLD IN RELIANCE ON EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF SAID ACT AND SUCH LAWS. THE SERIES #EINSTEIN INTERESTS ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED BY THE OPERATING AGREEMENT. THE SERIES #EINSTEIN INTERESTS HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC, ANY STATE SECURITIES COMMISSION OR ANY OTHER REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THIS OFFERING OR THE ACCURACY OR ADEQUACY OF THE MEMORANDUM OR THIS SUBSCRIPTION AGREEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

(u) The Purchaser should check the Office of Foreign Assets Control ("OFAC") website at <http://www.treas.gov/ofac> before making the following representations. The Purchaser represents that the amounts invested by it in the Company in the Offering were not and are not directly or indirectly derived from activities that contravene federal, state or international laws and regulations, including anti-money laundering laws and regulations. Federal regulations and Executive Orders administered by OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <http://www.treas.gov/ofac>. In addition, the programs administered by

OFAC (the “OFAC Programs”) prohibit dealing with individuals, including specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs, or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists. Furthermore, to the best of the Purchaser’s knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a country, territory, individual or entity named on an OFAC list, or a person or entity prohibited under the OFAC Programs. Please be advised that the Company may not accept any amounts from a prospective investor if such prospective investor cannot make the representation set forth in the preceding paragraph. The Purchaser agrees to promptly notify the Company should the Purchaser become aware of any change in the information set forth in these representations. The Purchaser understands and acknowledges that, by law, the Company may be obligated to “freeze the account” of the Purchaser, either by prohibiting additional subscriptions from the Purchaser, declining any redemption requests and/or segregating the assets in the account in compliance with governmental regulations, and the Company may also be required to report such action and to disclose the Purchaser’s identity to OFAC. The Purchaser further acknowledges that the Company may, by written notice to the Purchaser, suspend the redemption rights, if any, of the Purchaser if the Company reasonably deems it necessary to do so to comply with anti-money laundering regulations applicable to the Company or any of the Company’s other service providers. These individuals include specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

(v) To the best of the Purchaser’s knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a senior foreign political figure, or an immediate family member or close associate of a senior foreign political figure. A “senior foreign political figure” is a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-owned corporation. In addition, a “senior foreign political figure” includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure. “Immediate family” of a senior foreign political figure typically includes the figure’s parents, siblings, spouse, children and in-laws. A “close associate” of a senior foreign political figure is a person who is widely and publicly known to maintain an unusually close relationship with the senior foreign political figure, and includes a person who is in a position to conduct substantial domestic and international financial transactions on behalf of the senior foreign political figure.

(w) If the Purchaser is affiliated with a non-U.S. banking institution (a “Foreign Bank”), or if the Purchaser receives deposits from, makes payments on behalf of, or handles other financial transactions related to a Foreign Bank, the Purchaser represents and warrants to the Company that: (1) the Foreign Bank has a fixed address, other than solely an electronic address, in a country in which the Foreign Bank is authorized to conduct banking activities; (2) the Foreign Bank maintains operating records related to its banking activities; (3) the Foreign Bank is subject to inspection by the banking authority that licensed the Foreign Bank to conduct banking activities; and (4) the Foreign Bank does not provide banking services to any other Foreign Bank that does not have a physical presence in any country and that is not a regulated affiliate.

(x) Each of the representations and warranties of the parties hereto set forth in this Section 5 and made as of the date hereof shall be true and accurate as of the Closing applicable to the subscription made hereby as if made on and as of the date of such Closing.

6. Indemnification. The Purchaser agrees to indemnify and hold harmless the Company, Series #EINSTEIN, the Manager and their respective officers, directors, employees, agents, members, partners, control persons and affiliates (each of which shall be deemed third party beneficiaries hereof) from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened) based upon or arising out of any actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or breach by the Purchaser of any covenant or agreement made by the Purchaser herein or in any other document delivered in connection with this Subscription Agreement. Notwithstanding the foregoing, no representation, warranty, covenant or acknowledgment made herein by the Purchaser shall be deemed to constitute a waiver of any rights granted to it under the Securities Act or state securities laws.

7. Irrevocability; Binding Effect. The Purchaser hereby acknowledges and agrees that the subscription hereunder is irrevocable by the Purchaser, except as required by applicable law, and that this Subscription Agreement shall survive the death or disability of the Purchaser and shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors, legal representatives, and permitted assigns. If the Purchaser is more than one person, the obligations of the Purchaser hereunder shall be joint and several and the agreements, representations, warranties, and acknowledgments herein shall be deemed to be made by and be binding upon each such person and such person's heirs, executors, administrators, successors, legal representatives, and permitted assigns.

8. Modification. This Subscription Agreement shall not be modified or waived except by an instrument in writing signed by the party against whom any such modification or waiver is sought.

9. Assignability. This Subscription Agreement and the rights, interests and obligations hereunder are not transferable or assignable by the Purchaser and the transfer or assignment of the Series #EINSTEIN Interests shall be made only in accordance with all applicable laws and the Operating Agreement. Any assignment contrary to the terms hereof shall be null and void and of no force or effect.

10. Lock-up Period. Following the Closing of the Offering for Series #EINSTEIN, the Purchaser agrees not to transfer its Series #EINSTEIN Interests for a 90-day lock-up period after the Closing before the Series #EINSTEIN Interests may be transferred by any investor, which transfer shall be in compliance with applicable laws and the Operating Agreement.

11. Applicable Law and Exclusive Jurisdiction. This Subscription Agreement and the rights and obligations of the Purchaser arising out of or in connection with this Subscription Agreement, the Operating Agreement and the Offering Circular shall be construed in accordance with and governed by the internal laws of the State of Delaware without regard to principles of conflict of laws. The Purchaser (i) irrevocably submits to the non-exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware in any action arising out of this Subscription Agreement and the Operating Agreement, except where Federal law requires that certain claims be brought in Federal courts, and (ii) consents to the service of process by mail. Notwithstanding any of the foregoing to the contrary, the Company acknowledges for the avoidance of doubt that this Section 11 shall not apply to claims arising under the Securities Act and the Exchange Act, and by agreeing to the provisions of this Section 11, the Purchaser will not be deemed to have waived compliance with U.S. federal securities laws and the rules and regulations promulgated thereunder.

12. Use of Pronouns. All pronouns and any variations thereof used herein shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require.

13. Miscellaneous.

13.1 Sections 15.1 (Addresses and Notices), 15.2 (Further Action) and 15.8 (Applicable Law and Jurisdiction) of the Operating Agreement are deemed incorporated into this Subscription Agreement.

13.2 This Subscription Agreement, together with the Operating Agreement, constitutes the entire agreement between the Purchaser and the Company with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings, if any, relating to the subject matter hereof. The terms and provisions of this Subscription Agreement may be waived, or consent for the departure therefrom granted, only by a written document executed by the party entitled to the benefits of such terms or provisions.

13.3 The covenants, agreements, representations and warranties of the Company and the Purchaser made, and the indemnification rights provided for, in this Subscription Agreement shall survive the execution and delivery hereof and delivery of the Series #EINSTEIN Interests, regardless of any investigation made by or on behalf of any party, and shall survive delivery of any payment for the Subscription Price.

13.4 Except to the extent otherwise described in the Offering Circular, each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants or others engaged by such party) in connection with this Subscription Agreement and the transactions contemplated hereby whether or not the transactions contemplated hereby are consummated.

13.5 This Subscription Agreement may be executed in one or more counterparts each of which shall be deemed an original (including signatures sent by facsimile transmission or by email transmission of a PDF scanned document or other electronic signature), but all of which shall together constitute one and the same instrument.

13.6 Each provision of this Subscription Agreement shall be considered separable and, if for any reason any provision or provisions hereof are determined to be invalid or contrary to applicable law, such invalidity or illegality shall not impair the operation of or affect the remaining portions of this Subscription Agreement.

13.7 Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Subscription Agreement as set forth in the text.

13.8 Words and expressions which are used but not defined in this Subscription Agreement shall have the meanings given to them in the Operating Agreement.
