(1) Dalmore Group, LLC (the “BOR” or “Dalmore”) will be acting as a broker of record and entitled to a Brokerage Fee as reflected herein and described in greater detail under “Plan of Distribution and Subscription Procedure – Broker” and “– Fees and Expenses” on page 103 and page 104 of the Offering Circular dated October 15, 2019 for additional information.

(2) We expect to engage a broker-dealer to act as custodian of interests and hold brokerage accounts for interest holders in connection with the Company’s offerings (the “Custodian”). It is anticipated that the Custodian will be entitled to a Custody Fee as reflected herein and described in greater detail under “Plan of Distribution and Subscription Procedure – Custodian” and “– Fees and Expenses” on page 104 of the Offering Circular dated October 15, 2019 for additional information.

(3) No underwriter has been engaged in connection with the Offering (as defined below) and neither the BOR, nor any other entity, receives a finder’ fee or any underwriting or placement agent discounts or commissions in relation to any Offering of Interests (as defined below). We intend to distribute all offerings of membership interests in any series of the Company principally through the Rally Rd.™ platform and any successor platform used by the Company for the offer and sale of interests, the “Platform”, as described in greater detail under “Plan of Distribution and Subscription Procedure” on page 101 of the Offering Circular dated October 15, 2019 for additional information.

RSE Archive, LLC, a Delaware series limited liability company (“we,” “us,” “our,” “RSE Archive” or the “Company”) is offering, on a best efforts basis, a minimum (the “Total Minimum”) to a maximum (the “Total Maximum”) of membership interests of each of the following series of the Company, highlighted in gray in the “Master Series Table” in the “**Interests In Series Covered By This Amendment**” section. Series not highlighted in gray have completed their respective offerings at the time of this filing and the number of interests in the table represents the actual interests sold. The sale of membership interests is being facilitated by the BOR, a broker-dealer registered under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and member of FINRA and is registered in each state where the offer or sales of the Interests will occur. It is anticipated that Interests will be offered and sold only in states where the BOR is registered as a broker-dealer. For the avoidance of doubt, the BOR does not and will not solicit purchases of Interests or make any recommendations regarding the Interests to prospective investors.

All of the series of the Company offered hereunder may collectively be referred to herein as the “Series” and each, individually, as a “Series”. The interests of all Series described above may collectively be referred to herein as the “Interests” and each, individually, as an “Interest” and the offerings of the Interests may collectively be referred to herein as the “Offerings” and each, individually, as an “Offering.” See “**Description of the Interests Offered**” on page 129 of the Offering Circular dated October 15, 2019 for additional information regarding the Interests.

The Company is managed by RSE Archive Manager, LLC, a Delaware limited liability company (the “Manager”). The Manager is a single-member entity owned by RSE Markets, Inc. (“RSE Markets”).

It is anticipated that the Company’s core business will be the identification, acquisition, marketing and management of memorabilia and collectible items, collectively referred to as “Memorabilia Assets” or the “Asset Class,” for the benefit of the investors. The Series assets referenced in the “**Interests In Series Covered By This Amendment**” section may be referred to herein, collectively, as the “Underlying Assets” or each, individually, as an “Underlying Asset.” Any individuals, dealers or auction company which owns an Underlying Asset prior to a purchase of an Underlying Asset by the Company in advance of a potential offering or the closing of an offering from which proceeds are used to acquire the Underlying Asset may be referred to herein as an “Asset Seller.” See “**Description of the Business**” on page 108 for additional information regarding the Asset Class.

RSE Markets will serve as the asset manager (the “Asset Manager”) for each Series of the Company and provides services to the Underlying Assets in accordance with each Series’ asset management agreement.

This Offering Circular describes each individual Series found in the “**Interests In Series Covered By This Amendment**” section.

The Interests represent an investment in a particular Series and thus indirectly the Underlying Asset and do not represent an investment in the Company or the Manager generally. We do not anticipate that any Series will own any assets other than the Underlying Asset associated with such Series. However, we expect that the operations of the Company, including the issuance of additional Series of Interests and their acquisition of additional assets, will benefit Investors by enabling each Series to benefit from economies of scale and by allowing Investors to enjoy the Company’s memorabilia and collectibles collection at the Membership Experience Programs.

A purchaser of the Interests may be referred to herein as an “Investor” or “Interest Holder.” There will be a separate closing with respect to each Offering (each, a “Closing”). The Closing of an Offering will occur on the earliest to occur of (i) the date subscriptions for the Total Maximum Interests for a Series have been accepted or (ii) a date determined by the Manager in its sole discretion, provided that subscriptions for the Total Minimum Interests of such Series have been accepted. If Closing has not occurred, an Offering shall be terminated upon (i) the date which is one year from the date such Offering Circular or Amendment, as applicable, is qualified by the U.S. Securities and Exchange Commission, or the “Commission”, which period may be extended with respect to a particular Series by an additional six months by the Manager in its sole discretion, or (ii) any date on which the Manager elects to terminate the Offering for a particular Series in its sole discretion.

No securities are being offered by existing security-holders.

Each Offering is being conducted under Tier II of Regulation A (17 CFR 230.251 et. seq.) and the information contained herein is being presented in Offering Circular format. The Company is not offering, and does not anticipate selling, Interests in any of the Offerings in any state where the BOR is not registered as a broker-dealer. The subscription funds advanced by prospective Investors as part of the subscription process will be held in a non-interest-bearing escrow account with Atlantic Capital Bank, N.A., the “Escrow Agent”, and will not be commingled with the operating account of the Series, until, if and when there is a Closing with respect to that Series. See “**Plan of Distribution and Subscription Procedure**” and “**Description of Interests Offered**” on page 101 and page 129 of the Offering Circular dated October 15, 2019 for additional information.

A purchase of Interests in a Series does not constitute an investment in either the Company or an Underlying Asset directly, or in any other Series of Interest. This results in limited voting rights of the Investor, which are solely related to a particular Series, and are further limited by the Limited Liability Company Agreement of the Company (as amended from time to time, the “Operating Agreement”), described further herein. Investors will have voting rights only with respect to certain matters, primarily relating to amendments to the Operating Agreement that would adversely change the rights of the Interest Holders and removal of the Manager for “cause”. The Manager and the Asset Manager thus retain significant control over the management of the Company, each Series and the Underlying Assets. Furthermore, because the Interests in a Series do not constitute an investment in the Company as a whole, holders of the Interests in a Series are not expected to receive any economic benefit from, or be subject to the liabilities of, the assets of any other Series. In addition, the economic interest of a holder in a Series will not be identical to owning a direct undivided interest in an Underlying Asset because, among other things, a Series will be required to pay corporate taxes before distributions are made to the holders, and the Asset Manager will receive a fee in respect of its management of the Underlying Asset.

This Offering Circular contains forward-looking statements which are based on current expectations and beliefs concerning future developments that are difficult to predict. Neither the Company nor the Manager or Asset Manager can guarantee future performance, or that future developments affecting the Company, the Manager, the Asset Manager, or the Platform will be as currently anticipated. These forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) or other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. Please see “**Risk Factors**” and “**Cautionary Note Regarding Forward-Looking Statements**” on page 18 and page 6 of the Offering Circular dated October 15, 2019 for additional information.

There is currently no public trading market for any Interests, and an active market may not develop or be sustained. If an active public or private trading market for our securities does not develop or is not sustained, it may be difficult or impossible for you to resell your Interests at any price. Even if a public or private market does develop, the market price could decline below the amount you paid for your Interests.

The Interests offered hereby are highly speculative in nature, involve a high degree of risk and should be purchased only by persons who can afford to lose their entire investment. There can be no assurance that the Company’s investment objectives will be achieved or that a secondary market would ever develop for the Interests, whether via the Platform, via third party registered broker-dealers or otherwise. Prospective Investors should obtain their own legal and tax advice prior to making an investment in the Interests and should be aware that an investment in the Interests may be exposed to other risks of an exceptional nature from time to time. See the “Risk Factors” section on page 18 of the Offering Circular dated October 15, 2019.

GENERALLY, NO SALE MAY BE MADE TO YOU IN ANY OFFERING IF THE AGGREGATE PURCHASE PRICE YOU PAY IS MORE THAN 10% OF THE GREATER OF YOUR ANNUAL INCOME OR NET WORTH. DIFFERENT RULES APPLY TO ACCREDITED INVESTORS AND NON-NATURAL PERSONS. BEFORE MAKING ANY REPRESENTATION THAT YOUR INVESTMENT DOES NOT EXCEED APPLICABLE THRESHOLDS, WE ENCOURAGE YOU TO REVIEW RULE 251(d)(2)(i)(C) OF REGULATION A. FOR GENERAL INFORMATION ON INVESTING, WE ENCOURAGE YOU TO REFER TO [HTTP://WWW.INVESTOR.GOV](http://www.investor.gov).

NOTICE TO RESIDENTS OF THE STATES OF TEXAS AND WASHINGTON:

WE ARE LIMITING THE OFFER AND SALE OF SECURITIES IN THE STATES OF TEXAS AND WASHINGTON TO A MAXIMUM OF \$5 MILLION IN ANY 12-MONTH PERIOD. WE RESERVE THE RIGHT TO REMOVE OR MODIFY SUCH LIMIT AND, IN THE EVENT WE DECIDE TO OFFER AND SELL ADDITIONAL SECURITIES IN THESE STATES, WE WILL FILE A POST-

QUALIFICATION SUPPLEMENT TO THE OFFERING STATEMENT OF WHICH THIS OFFERING CIRCULAR IS A PART IDENTIFYING SUCH CHANGE.

The United States Securities and Exchange Commission does not pass upon the merits of or give its approval to any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering circular or other solicitation materials. These securities are offered pursuant to an exemption from registration with the Commission; however, the Commission has not made an independent determination that the securities offered are exempt from registration. This Preliminary Offering Circular shall not constitute an offer to sell or the solicitation of an offer to buy, nor may there be any sales of these securities in, any state in which such offer, solicitation or sale would be unlawful before registration or qualification of the offer and sale under the laws of such state.

An investment in the Interests involves a high degree of risk. See “Risk Factors” on page 18 of the Offering Circular dated October 15, 2019 for a description of some of the risks that should be considered before investing in the Interests.

Unless otherwise set forth in the applicable Series Designation, the Managing Member or its Affiliates shall, as at the closing of any Initial Offering, hold at least 2.00% of the Interests

of the Series being issued pursuant to such Initial Offering. Unless provided otherwise in this Agreement, the Interests held by the Managing Member or any of its Affiliates shall be identical to those of an Economic Member and will not have any additional distribution, redemption, conversion or liquidation rights by virtue of its status as the Managing Member; provided, that the Managing Member shall have the rights, duties and obligations of the Managing Member hereunder, regardless of whether the Managing Member shall hold any Interests.

Section 3.2 Capital Contributions.

(a) The minimum number of Interests a Member may acquire is one (1) Interest or such higher or lesser amount as the Managing Member may determine from time to time and as specified in each Series Designation, as applicable. Persons acquiring Interests through an Initial Offering or Subsequent Offering shall make a Capital Contribution to the Company in an amount equal to the per share price determined in connection with such Initial Offering or Subsequent Offering and multiplied by the number of Interests acquired by such Person in such Initial Offering or Subsequent Offering, as applicable. Persons acquiring Interests in a manner other than through an Initial Offering or Subsequent Offering or pursuant to a Transfer shall make such Capital Contribution as shall be determined by the Managing Member in its sole discretion.

(b) Except as expressly permitted by the Managing Member, in its sole discretion (i) initial and any additional Capital Contributions to the Company or Series as applicable, by any Member shall be payable in currency and (ii) initial and any additional Capital Contributions shall be payable in one installment and shall be paid prior to the date of the proposed acceptance by the Managing Member of a Persons admission as a Member to a Series (or a Members application to acquire additional Interests) (or within five business days thereafter with the Managing Members approval). No Member shall be required to make an additional capital contribution to the Company or Series but may make an additional Capital Contribution to acquire additional interests at such Members sole discretion.

(c) Except to the extent expressly provided in this Agreement (including any Series Designation): (i) no Member shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent, if any, that distributions made pursuant to this Agreement or upon dissolution or termination of the Company or any Series may be considered as such by law and then only to the extent provided for in this Agreement; (ii) no Member holding any Series of any Interests of a Series shall have priority over any other Member holding the same Series either as to the return of Capital Contributions or as to distributions; (iii) no interest shall be paid by the Company or any Series on any Capital Contributions; and (iv) no Economic Member, in its capacity as such, shall participate in the operation or management of the business of the Company or any Series, transact any business in the Company or any Series name or have the power to sign documents for or otherwise bind the Company or any Series by reason of being a Member.

Section 3.3 Series of the Company.

(a) Establishment of Series. Subject to the provisions of this Agreement, the Managing Member may, at any time and from time to time and in compliance with paragraph (c), cause the Company to establish in writing (each, a **Series Designation**) one or more series as such term is used under Section 18-215 of the Delaware Act (each a **Series**). The Series Designation shall relate solely to the Series established thereby and shall not be construed: (i) to affect the terms and conditions of any other Series, or (ii) to designate, fix or determine the rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of Interests associated with any other Series, or the Members associated therewith. The terms and conditions for each Series established pursuant to this Section shall be as set forth in this Agreement and the Series Designation, as applicable, for the Series. Upon approval of any Series Designation by the Managing Member, such Series Designation shall be attached to this Agreement as an Exhibit until such time as none of such Interests of such Series remain Outstanding.

(b) Series Operation. Each of the Series shall operate to the extent practicable as if it were a separate limited liability company.

(c) Series Designation. The Series Designation establishing a Series may: (i) specify a name or names under which the business and affairs of such Series may be conducted; (ii) designate, fix and determine the relative rights, powers, authority, privileges, preferences, duties, responsibilities, liabilities and obligations in respect of Interests of such Series and the Members associated therewith (to the extent such terms differ from those set forth in this Agreement) and (iii) designate or authorize the designation of specific Officers to be associated with such Series. A Series Designation (or any resolution of the Managing Member amending any Series Designation) shall be effective when a duly executed original of the same is included by the Managing Member among the permanent records of the Company, and shall be annexed to, and constitute part of, this Agreement (it being understood and agreed that, upon such effective date, the Series described in such Series Designation shall be deemed to have been established and the Interests of such Series shall be deemed to have been authorized in accordance with the provisions thereof). The Series Designation establishing a Series may set forth specific provisions governing the rights of such Series against a Member associated with such Series who fails to comply with the applicable provisions of this Agreement (including, for the avoidance of doubt, the applicable provisions of such Series Designation). In the event of a conflict between the terms and conditions of this Agreement and a Series Designation, the terms and conditions of the Series Designation shall prevail.

(d) Assets and Liabilities Associated with a Series.

(i) Assets Associated with a Series. All consideration received by the Company for the issuance or sale of Interests of a particular Series, together with all assets in which such consideration is invested or reinvested, and all income, earnings, profits and proceeds thereof, from whatever source derived, including any proceeds derived from the sale, exchange or liquidation of such assets, and any funds or payments derived from any reinvestment of such proceeds, in whatever form the same may be (**assets**), shall, subject to the provisions of this

Agreement, be held for the benefit of the Series or the Members associated with such Series, and not for the benefit of the Members associated with any other Series, for all purposes, and shall be accounted for and recorded upon the books and records of the Series separately from any assets associated with any other Series. Such assets are herein referred to as **assets associated with that Series**. In the event that there are any assets in relation to the Company that, in the Managing Members reasonable judgment, are not readily associated with a particular Series, the Managing Member shall allocate such assets to, between or among any one or more of the Series, in such manner and on such basis as the Managing Member deems fair and equitable, and in accordance with the Allocation Policy, and any asset so allocated to a particular Series shall thereupon be deemed to be an asset associated with that Series. Each allocation by the Managing Member pursuant to the provisions of this paragraph shall be conclusive and binding upon the Members associated with each and every Series. Separate and distinct records shall be maintained for each and every Series, and the Managing Member shall not commingle the assets of one Series with the assets of any other Series.

(ii) Liabilities Associated with a Series. All debts, liabilities, expenses, costs, charges, obligations and reserves incurred by, contracted for or otherwise existing (**liabilities**) with respect to a particular Series shall be charged against the assets associated with that Series. Such liabilities are herein referred to as **liabilities associated with that Series**. In the event that there are any liabilities in relation to the Company that, in the Managing Members reasonable judgment, are not readily associated with a particular Series, the Managing Member shall allocate and charge (including indemnification obligations) such liabilities to, between or among any one or more of the Series, in such manner and on such basis as the Managing Member deems fair and equitable and in accordance with the Allocation Policy, and any liability so allocated and charged to a particular Series shall thereupon be deemed to be a liability associated with that Series. Each allocation by the Managing Member pursuant to the provisions of this Section shall be conclusive and binding upon the Members associated with each and every Series. All liabilities associated with a Series shall be enforceable against the assets associated with that Series only, and not against the assets associated with the Company or any other Series, and except to the extent set forth above, no liabilities shall be enforceable against the assets associated with any Series prior to the allocation and charging of such liabilities as provided above. Any allocation of liabilities that are not readily associated with a particular Series to, between or among one or more of the Series shall not represent a commingling of such Series to pool capital for the purpose of carrying on a trade or business or making common investments and sharing in profits and losses therefrom. The Managing Member has caused notice of this limitation on inter-series liabilities to be set forth in the Certificate of Formation, and, accordingly, the statutory provisions of Section 18 215(b) of the Delaware Act relating to limitations on inter-series liabilities (and the statutory effect under Section 18 207 of the Delaware Act of setting forth such notice in the Certificate of Formation) shall apply to the Company and each Series. Notwithstanding any other provision of this Agreement, no distribution on or in respect of Interests in a particular Series, including, for the avoidance of doubt, any distribution made in connection with the winding up of such Series, shall be effected by the Company other than from the assets associated with that Series, nor shall any Member or former Member associated with a Series otherwise have any right or claim against the assets associated with any other Series (except to the extent that such Member or former Member has

such a right or claim hereunder as a Member or former Member associated with such other Series or in a capacity other than as a Member or former Member).

(e) Ownership of Series Assets. Title to and beneficial interest in Series Assets shall be deemed to be held and owned by the relevant Series and no Member or Members of such Series, individually or collectively, shall have any title to or beneficial interest in specific Series Assets or any portion thereof. Each Member of a Series irrevocably waives any right that it may have to maintain an action for partition with respect to its interest in the Company, any Series or any Series Assets. Any Series Assets may be held or registered in the name of the relevant Series, in the name of a nominee or as the Managing Member may determine; *provided, however*, that Series Assets shall be recorded as the assets of the relevant Series on the Company's books and records, irrespective of the name in which legal title to such Series Assets is held. Any corporation, brokerage firm or transfer agent called upon to transfer any Series Assets to or from the name of any Series shall be entitled to rely upon instructions or assignments signed or purporting to be signed by the Managing Member or its agents without inquiry as to the authority of the person signing or purporting to sign such instruction or assignment or as to the validity of any transfer to or from the name of such Series.

(f) Prohibition on Issuance of Preference Interests. No Interests shall entitle any Member to any preemptive, preferential or similar rights unless such preemptive, preferential or similar rights are set forth in the applicable Series Designation on or prior to the date of the Initial Offering of any interests of such Series (the designation of such preemptive, preferential or similar rights with respect to a Series in the Series Designation, the **Interest Designation**).

Section 3.4 Authorization to Issue Interests.

(a) The Company may issue Interests, and options, rights and warrants relating to Interests, for any Company or Series purpose at any time and from time to time to such Persons for such consideration (which may be cash, property, services or any other lawful consideration) or for no consideration and on such terms and conditions as the Managing Member shall determine, all without the approval of the Economic Members. Each Interest shall have the rights and be governed by the provisions set forth in this Agreement (including any Series Designation).

(b) Subject to Section 6.3(a)(i), and unless otherwise provided in the applicable Series Designation, the Company is authorized to issue in respect of each Series an unlimited number of Interests. All Interests issued pursuant to, and in accordance with the requirements of, this ARTICLE III shall be validly issued Interests in the Company, except to the extent otherwise provided in the Delaware Act or this Agreement (including any Series Designation).

Section 3.5 Voting Rights of Interests Generally. Unless otherwise provided in this Agreement or any Series Designation, (i) each Record Holder of Interests shall be entitled to one vote per Interest for all matters submitted for the consent or approval of Members generally, (ii) all Record Holders of Interests (regardless of Series) shall vote together as a single class on all matters as to which all Record Holders of Interests are entitled to vote, (iii) Record Holders of a particular Series of Interest shall be entitled to one vote per Interest for all matters submitted for

the consent or approval of the Members of such Series and (iv) the Managing Member or any of its Affiliates shall not be entitled to vote in connection with any Interests they hold pursuant to Section 3.1(h) and no such Interests shall be deemed Outstanding for purposes of any such vote.

Section 3.6 Record Holders. The Company shall be entitled to recognize the Record Holder as the owner of an Interest and, accordingly, shall not be bound to recognize any equitable or other claim to or interest in such Interest on the part of any other Person, regardless of whether the Company shall have actual or other notice thereof, except as otherwise provided by law or any applicable rule, regulation, guideline or requirement of any National Securities Exchange or over-the-counter market on which such Interests are listed for trading (if ever). Without limiting the foregoing, when a Person (such as a broker, dealer, bank, trust company or clearing corporation or an agent of any of the foregoing) is acting as nominee, agent or in some other representative capacity for another Person in acquiring or holding Interests, as between the Company on the one hand, and such other Persons on the other, such representative Person shall be the Record Holder of such Interests.

Section 3.7 Splits.

(a) Subject to paragraph (c) of this Section and Section 3.4, and unless otherwise provided in any Interest Designation, the Company may make a pro rata distribution of Interests of a Series to all Record Holders of such Series, or may effect a subdivision or combination of Interests of any Series, in each case, on an equal per Interest basis and so long as, after any such event, any amounts calculated on a per Interest basis or stated as a number of Interests are proportionately adjusted.

(b) Whenever such a distribution, subdivision or combination of Interests is declared, the Managing Member shall select a date as of which the distribution, subdivision or combination shall be effective. The Managing Member shall send notice thereof at least 10 Business Days prior to the date of such distribution, subdivision or combination to each Record Holder as of a date not less than 5 Business Days prior to the date of such distribution, subdivision or combination. The Managing Member also may cause a firm of independent public accountants selected by it to calculate the number of Interests to be held by each Record Holder after giving effect to such distribution, subdivision or combination. The Managing Member shall be entitled to rely on any certificate provided by such firm as conclusive evidence of the accuracy of such calculation.

(c) Subject to Section 3.4 and unless otherwise provided in any Series Designation, the Company shall not issue fractional Interests upon any distribution, subdivision or combination of Interests. If a distribution, subdivision or combination of Interests would otherwise result in the issuance of fractional Interests, each fractional Interest shall be rounded to the nearest whole Interest (and a 0.5 Interest shall be rounded to the next higher Interest).

Section 3.8 Agreements. The rights of all Members and the terms of all Interests are subject to the provisions of this Agreement (including any Series Designation).

ARTICLE IV - REGISTRATION AND TRANSFER OF INTERESTS.

Section 4.1 Maintenance of a Register. Subject to the restrictions on Transfer and ownership limitations contained below:

(a) The Company, or its appointee, shall keep or cause to be kept on behalf of the Company and each Series a register that will set forth the Record Holders of each of the Interests and information regarding the Transfer of each of the Interests. The Managing Member is hereby initially appointed as registrar and transfer agent of the Interests, provided that the Managing Member may appoint such third-party registrar and transfer agent as it determines appropriate in its sole discretion, for the purpose of registering Interests and Transfers of such Interests as herein provided, including as set forth in any Series Designation.

(b) Upon acceptance by the Managing Member of the Transfer of any Interest, each transferee of an Interest (i) shall be admitted to the Company as a Substitute Economic Member with respect to the Interests so transferred to such transferee when any such transfer or admission is reflected in the books and records of the Company, (ii) shall be deemed to agree to be bound by the terms of this Agreement by completing a Form of Adherence to the reasonable satisfaction of the Managing Member in accordance with Section 4.2(g)(ii), (iii) shall become the Record Holder of the Interests so transferred, (iv) grants powers of attorney to the Managing Member and any Liquidator of the Company and each of their authorized officers and attorneys in fact, as the case may be, as specified herein, and (v) makes the consents and waivers contained in this Agreement. The Transfer of any Interests and the admission of any new Economic Member shall not constitute an amendment to this Agreement, and no amendment to this Agreement shall be required for the admission of new Economic Members.

(c) Nothing contained in this Agreement shall preclude the settlement of any transactions involving Interests entered into through the facilities of any National Securities Exchange or over-the-counter market on which such Interests are listed or quoted for trading, if any.

Section 4.2 Ownership Limitations.

(a) No Transfer of any Economic Members Interest, whether voluntary or involuntary, shall be valid or effective, and no transferee shall become a substituted Economic Member, unless the written consent of the Managing Member has been obtained, which consent may be withheld in its sole and absolute discretion as further described in this Section 4.2. In the event of any Transfer, all of the conditions of the remainder of this Section must also be satisfied. Notwithstanding the foregoing but subject to Section 3.6, assignment of the economic benefits of ownership of Interests may be made without the Managing Members consent, provided that the assignee is not an ineligible or unsuitable investor under applicable law.

(b) No Transfer of any Economic Members Interests, whether voluntary or involuntary, shall be valid or effective unless the Managing Member determines, after consultation with legal counsel acting for the Company that such Transfer will not, unless waived by the Managing Member:

- (i) result in the transferee directly or indirectly exceeding the Individual Aggregate 12-Month Investment Limit or owning in excess of the Aggregate Ownership Limit;
 - (ii) result in there being 2,000 or more beneficial owners (as such term is used under the Exchange Act) or 500 or more beneficial owners that are not accredited investors (as defined under the Securities Act) of any Series of Interests, as specified in Section 12(g)(1)(A)(ii) of the Exchange Act, unless such Interests have been registered under the Exchange Act or the Company is otherwise an Exchange Act reporting company;
 - (iii) cause all or any portion of the assets of the Company or any Series to constitute plan assets for purposes of ERISA;
 - (iv) adversely affect the Company or such Series, or subject the Company, the Series, the Managing Member or any of their respective Affiliates to any additional regulatory or governmental requirements or cause the Company to be disqualified as a limited liability company or subject the Company, any Series, the Managing Member or any of their respective Affiliates to any tax to which it would not otherwise be subject;
 - (v) require registration of the Company, any Series or any Interests under any securities laws of the United States of America, any state thereof or any other jurisdiction; or
 - (vi) violate or be inconsistent with any representation or warranty made by the transferring Economic Member.
- (c) The transferring Economic Member, or such Economic Members legal representative, shall give the Managing Member prior written notice before making any voluntary Transfer and notice within thirty (30) days after any involuntary Transfer (unless such notice period is otherwise waived by the Managing Member), and shall provide sufficient information to allow legal counsel acting for the Company to make the determination that the proposed Transfer will not result in any of the consequences referred to in paragraphs (b)(i) through (b)(vi) above. If a Transfer occurs by reason of the death of an Economic Member or assignee, the notice may be given by the duly authorized representative of the estate of the Economic Member or assignee. The notice must be supported by proof of legal authority and valid assignment in form and substance acceptable to the Managing Member.
- (d) In the event any Transfer permitted by this Section shall result in beneficial ownership by multiple Persons of any Economic Members interest in the Company, the Managing Member may require one or more trustees or nominees to be designated to represent a portion of or the entire interest transferred for the purpose of receiving all notices which may be given and all payments which may be made under this Agreement, and for the purpose of exercising the rights which the transferor as an Economic Member had pursuant to the provisions of this Agreement.
- (e) A transferee shall be entitled to any future distributions attributable to the Interests transferred to such transferee and to transfer such Interests in accordance with the terms of this Agreement; provided, however, that such transferee shall not be entitled to the other rights of an

Economic Member as a result of such Transfer until he or she becomes a Substitute Economic Member.

(f) The Company and each Series shall incur no liability for distributions made in good faith to the transferring Economic Member until a written instrument of Transfer has been received by the Company and recorded on its books and the effective date of Transfer has passed.

(g) Any other provision of this Agreement to the contrary notwithstanding, any Substitute Economic Member shall be bound by the provisions hereof. Prior to recognizing any Transfer in accordance with this Section, the Managing Member may require, in its sole discretion:

(i) the transferring Economic Member and each transferee to execute one or more deeds or other instruments of Transfer in a form satisfactory to the Managing Member;

(ii) each transferee to acknowledge its assumption (in whole or, if the Transfer is in respect of part only, in the proportionate part) of the obligations of the transferring Economic Member by executing a Form of Adherence (or any other equivalent instrument as determined by the Managing Member);

(iii) each transferee to provide all the information required by the Managing Member to satisfy itself as to anti-money laundering, counter-terrorist financing and sanctions compliance matters; and

(iv) payment by the transferring Economic Member, in full, of the costs and expenses referred to in paragraph (h) below,

and no Transfer shall be completed or recorded in the books of the Company, and no proposed Substitute Economic Member shall be admitted to the Company as an Economic Member, unless and until each of these requirements has been satisfied or, at the sole discretion of the Managing Member, waived.

(h) The transferring Economic Member shall bear all costs and expenses arising in connection with any proposed Transfer, whether or not the Transfer proceeds to completion, including any legal fees incurred by the Company or any broker or dealer, any costs or expenses in connection with any opinion of counsel, and any transfer taxes and filing fees.

Section 4.3 Transfer of Interests and Obligations of the Managing Member.

(a) The Managing Member may Transfer all Interests acquired by the Managing Member (including all Interests acquired by the Managing Member in the Initial Offering pursuant to Section 3.1(h)) at any time and from time to time following the closing of the Initial Offering.

(b) The Economic Members hereby authorize the Managing Member to assign its rights, obligations and title as Managing Member to an Affiliate of the Managing Member without the prior consent of any other Person, and, in connection with such transfer, designate such Affiliate of the Managing Member as a successor Managing Member provided, that the Managing Member shall notify the applicable Economic Members of such change in the next regular communication to such Economic Members.

(c) Except as set forth in Section 4.3(b) above, in the event of the resignation of the Managing Member of its rights, obligations and title as Managing Member, the Managing Member shall nominate a successor Managing Member and the vote of a majority of the Interests held by Economic Members shall be required to elect such successor Managing Member. The Managing Member shall continue to serve as the Managing Member of the Company until such date as a successor Managing Member is elected pursuant to the terms of this Section 4.3(c).

Section 4.4 Remedies for Breach. If the Managing Member shall at any time determine in good faith that a Transfer or other event has taken place that results in a violation of this ARTICLE IV, the Managing Member shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Company to redeem shares, refusing to give effect to such Transfer on the books of the Company or instituting proceedings to enjoin such Transfer or other event.

ARTICLE V - MANAGEMENT AND OPERATION OF THE COMPANY AND EACH SERIES

Section 5.1 Power and Authority of Managing Member. Except as explicitly set forth in this Agreement, the Manager, as appointed pursuant to Section 3.1(h) of this Agreement, shall have full power and authority to do, and to direct the Officers to do, all things and on such terms as it determines to be necessary or appropriate to conduct the business of the Company and each Series, to exercise all powers set forth in Section 2.5 and to effectuate the purposes set forth in Section 2.4, in each case without the consent of the Economic Members, including but not limited to the following:

- (n) the control of any matters affecting the rights and obligations of the Company or any Series, including the bringing, prosecuting and defending of actions at law or in equity and otherwise engaging in the conduct of litigation, arbitration or remediation, and the incurring of legal expense and the settlement of claims and litigation, including in respect of taxes;

The authority and functions of the Managing Member, on the one hand, and of the Officers, on the other hand, shall be identical to the authority and functions of the board of directors and officers, respectively, of a corporation organized under the DGCL in addition to the powers that now or

hereafter can be granted to managers under the Delaware Act. No Economic Member, by virtue of its status as such, shall have any management power over the business and affairs of the Company or any Series or actual or apparent authority to enter into, execute or deliver contracts on behalf of, or to otherwise bind, the Company or any Series.

Section 5.2 Determinations by the Managing Member. In furtherance of the authority granted to the Managing Member pursuant to Section 5.1 of this Agreement, the determination as to any of the following matters, made in good faith by or pursuant to the direction of the Managing Member consistent with this Agreement, shall be final and conclusive and shall be binding upon the Company and each Series and every holder of Interests:

Section 5.3 Delegation. The Managing Member may delegate to any Person or Persons any of the powers and authority vested in it hereunder and may engage such Person or Persons to provide administrative, compliance, technological and accounting services to the Company, on such terms and conditions as it may consider appropriate.

Section 5.4 Advisory Board.

(a) The Managing Member may establish an **Advisory Board** comprised of members of the Managing Members expert network and external advisors. The Advisory Board will be available to provide guidance to the Managing Member on the strategy and progress of the Company. Additionally, the Advisory Board may: (i) be consulted with by the Managing Member in connection with the acquisition and disposal of a Series Asset, (ii) conduct an annual review of the Company's acquisition policy, (iii) provide guidance with respect to, material conflicts arising or that are reasonably likely to arise with the Managing Member, on the one hand, and the Company, a Series or the Economic Members, on the other hand, or the Company or a Series, on the one hand, and another Series, on the other hand, (iv) approve any material transaction between the Company or a Series and the Managing Member or any of its Affiliates, another Series or an Economic Member (other than the purchase of interests in such Series), (v) provide guidance with respect to the appropriate levels of annual fleet level insurance costs and maintenance costs specific to each individual Series Asset, and review fees, expenses, assets, revenues and availability of funds for distribution with respect to each Series on an annual basis and (vi) approve any service providers appointed by the Managing Member in respect of the Series Assets.

(b) If the Advisory Board determines that any member of the Advisory Boards interests conflict to a material extent with the interests of a Series or the Company as a whole, such member of the Advisory Board shall be excluded from participating in any discussion of the matters to which that conflict relates and shall not participate in the provision of guidance to the Managing Member in respect of such matters, unless a majority of the other members of the Advisory Board determines otherwise.

(c) The members of the Advisory Board shall not be entitled to compensation by the Company or any Series in connection with their role as members of the Advisory Board (including compensation for attendance at meetings of the Advisory Board), *provided, however*, the Company or any applicable Series shall reimburse a member of the Advisory Board for any out of pocket expenses or Operating Expenses actually incurred by it or any of its Affiliates on behalf of the Company or a Series when acting upon the Managing Members instructions or pursuant to a written agreement between the Company or a Series and such member of the Advisory Board or its Affiliates.

(d) The members of the Advisory Board shall not be deemed managers or other persons with duties to the Company or any Series (under Sections 18-1101 or 18-1104 of the Delaware Act or under any other applicable law or in equity) and shall have no fiduciary duty to the Company or any Series. The Managing Member shall be entitled to rely upon, and shall be fully protected in relying upon, reports and information of the Advisory Board to the extent the Managing Member reasonably believes that such matters are within the professional or expert competence of the members of the Advisory Board, and shall be protected under Section 18-406 of the Delaware Act in relying thereon.

Section 5.5 Exculpation, Indemnification, Advances and Insurance.

(a) Subject to other applicable provisions of this ARTICLE V including Section 5.7, the Indemnified Persons shall not be liable to the Company or any Series for any acts or omissions by any of the Indemnified Persons arising from the exercise of their rights or performance of their duties and obligations in connection with the Company or any Series, this Agreement or any investment made or held by the Company or any Series, including with respect to any acts or omissions made while serving at the request of the Company or on behalf of any Series as an officer, director, member, partner, fiduciary or trustee of another Person, other than such acts or omissions that have been determined in a final, non-appealable decision of a court of competent jurisdiction to constitute fraud, willful misconduct or gross negligence. The Indemnified Persons shall be indemnified by the Company and, to the extent Expenses and Liabilities are associated with any Series, each such Series, in each case, to the fullest extent permitted by law, against all expenses and liabilities (including judgments, fines, penalties, interest, amounts paid in settlement with the approval of the Company and counsel fees and disbursements on a solicitor and client basis) (collectively, **Expenses and Liabilities**) arising from the performance of any of their duties or obligations in connection with their service to the Company or each such Series or this Agreement, or any investment made or held by the Company, each such Series, including in connection with any civil, criminal, administrative, investigative or other action, suit or proceeding to which any such Person may hereafter be made party by reason of being or having been a manager of the Company or such Series under Delaware law, an Officer of the Company or associated with such Series, a member of the Advisory Board or an officer, director, member, partner, fiduciary or trustee of another Person, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud, willful misconduct or gross negligence. Without limitation, the foregoing indemnity shall extend to any liability of any Indemnified Person, pursuant to a loan guaranty or otherwise, for any indebtedness of the Company or any Series (including any indebtedness which the Company or any Series has assumed or taken subject to), and the Managing Member or the Officers are hereby authorized and empowered, on behalf of the Company or any Series, to enter into one or more indemnity agreements consistent with the provisions of this Section in favor of any Indemnified Person having or potentially having liability for any such indebtedness. It is the intention of this paragraph that the Company and each applicable Series indemnify each Indemnified Person to the fullest extent permitted by law, provided that this indemnification shall not cover Expenses and Liabilities that arise out of the acts or omissions of any Indemnified Party that have been determined in a final, non-appealable decision of a court, arbitrator or other tribunal of competent jurisdiction to have resulted primarily from such Indemnified Persons fraud, willful misconduct or gross negligence.

(b) The provisions of this Agreement, to the extent they restrict the duties and liabilities of an Indemnified Person otherwise existing at law or in equity, including Section 5.7, are agreed by each Member to modify such duties and liabilities of the Indemnified Person to the maximum extent permitted by law.

(c) Any indemnification under this Section (unless ordered by a court) shall be made by each applicable Series. To the extent, however, that an Indemnified Person has been successful on the merits or otherwise in defense of any action, suit or proceeding described above, or in

defense of any claim, issue or matter therein, such Indemnified Person shall be indemnified against expenses (including attorney's fees) actually and reasonably incurred by such Indemnified Person in connection therewith.

(d) Any Indemnified Person may apply to the Court of Chancery of the State of Delaware or any other court of competent jurisdiction in the State of Delaware for indemnification to the extent otherwise permissible under paragraph (a). The basis of such indemnification by a court shall be a determination by such court that indemnification of the Indemnified Person is proper in the circumstances because such Indemnified Person has met the applicable standards of conduct set forth in paragraph (a). Neither a contrary determination in the specific case under paragraph (c) nor the absence of any determination thereunder shall be a defense to such application or create a presumption that the Indemnified Person seeking indemnification has not met any applicable standard of conduct. Notice of any application for indemnification pursuant to this paragraph shall be given to the Company promptly upon the filing of such application. If successful, in whole or in part, the Indemnified Person seeking indemnification shall also be entitled to be paid the expense of prosecuting such application.

(e) To the fullest extent permitted by law, expenses (including attorney's fees) incurred by an Indemnified Person in defending any civil, criminal, administrative or investigative action, suit or proceeding may, at the option of the Managing Member, be paid by each applicable Series in advance of the final disposition of such action, suit or proceeding upon receipt of an undertaking by or on behalf of such Indemnified Person to repay such amount if it shall ultimately be determined that such Indemnified Person is not entitled to be indemnified by each such Series as authorized in this Section.

(f) The indemnification and advancement of expenses provided by or granted pursuant to this Section shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expenses may be entitled under this Agreement, or any other agreement (including without limitation any Series Designation), vote of Members or otherwise, and shall continue as to an Indemnified Person who has ceased to serve in such capacity and shall inure to the benefit of the heirs, successors, assigns and administrators of the Indemnified Person unless otherwise provided in a written agreement with such Indemnified Person or in the writing pursuant to which such Indemnified Person is indemnified, it being the policy of the Company that indemnification of the persons specified in paragraph (a) shall be made to the fullest extent permitted by law. The provisions of this Section shall not be deemed to preclude the indemnification of any person who is not specified in paragraph (a) but whom the Company or an applicable Series has the power or obligation to indemnify under the provisions of the Delaware Act.

(g) The Company and any Series may, but shall not be obligated to, purchase and maintain insurance on behalf of any Person entitled to indemnification under this Section against any liability asserted against such Person and incurred by such Person in any capacity to which they are entitled to indemnification hereunder, or arising out of such Persons status as such, whether or not the Company would have the power or the obligation to indemnify such Person against such liability under the provisions of this Section.

(h) The indemnification and advancement of expenses provided by, or granted pursuant to, this Section shall, unless otherwise provided when authorized or ratified, inure to the benefit of the heirs, executors and administrators of any person entitled to indemnification under this Section.

(i) The Company and any Series may, to the extent authorized from time to time by the Managing Member, provide rights to indemnification and to the advancement of expenses to employees and agents of the Company or such Series.

(j) If this Section or any portion of this Section shall be invalidated on any ground by a court of competent jurisdiction each applicable Series shall nevertheless indemnify each Indemnified Person as to expenses (including attorney's fees), judgments, fines, and amounts paid in settlement with respect to any action, suit, proceeding or investigation, whether civil, criminal or administrative, including a grand jury proceeding or action or suit brought by or in the right of the Company, to the full extent permitted by any applicable portion of this Section that shall not have been invalidated.

(k) Each of the Indemnified Persons may, in the performance of his, her or its duties, consult with legal counsel, accountants, and other experts, and any act or omission by such Person on behalf of the Company or any Series in furtherance of the interests of the Company or such Series in good faith in reliance upon, and in accordance with, the advice of such legal counsel, accountants or other experts will be full justification for any such act or omission, and such Person will be fully protected for such acts and omissions; *provided* that such legal counsel, accountants, or other experts were selected with reasonable care by or on behalf of such Indemnified Person.

(l) An Indemnified Person shall not be denied indemnification in whole or in part under this Section because the Indemnified Person had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(m) Any liabilities which an Indemnified Person incurs as a result of acting on behalf of the Company or any Series (whether as a fiduciary or otherwise) in connection with the operation, administration or maintenance of an employee benefit plan or any related trust or funding mechanism (whether such liabilities are in the form of excise taxes assessed by the Internal Revenue Service, penalties assessed by the Department of Labor, restitutions to such a plan or trust or other funding mechanism or to a participant or beneficiary of such plan, trust or other funding mechanism, or otherwise) shall be treated as liabilities indemnifiable under this Section, to the maximum extent permitted by law.

(n) The Managing Member shall, in the performance of its duties, be fully protected in relying in good faith upon the records of the Company and any Series and on such information, opinions, reports or statements presented to the Company by any of the Officers or employees of the Company or associated with any Series, or by any other Person as to matters the Managing Member reasonably believes are within such other Persons professional or expert competence (including, without limitation, the Advisory Board).

(o) Any amendment, modification or repeal of this Section or any provision hereof shall be prospective only and shall not in any way affect the limitations on the liability of or other rights of any indemnitee under this Section as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted and provided such Person became an indemnitee hereunder prior to such amendment, modification or repeal.

Section 5.6 Duties of Officers.

(a) Except as set forth in Sections 5.5 and 5.7, as otherwise expressly provided in this Agreement or required by the Delaware Act, (i) the duties and obligations owed to the Company by the Officers shall be the same as the duties and obligations owed to a corporation organized under DGCL by its officers, and (ii) the duties and obligations owed to the Members by the Officers shall be the same as the duties and obligations owed to the stockholders of a corporation under the DGCL by its officers.

(b) The Managing Member shall have the right to exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it thereunder either directly or by or through the duly authorized Officers of the Company or associated with a Series, and the Managing Member shall not be responsible for the misconduct or negligence on the part of any such Officer duly appointed or duly authorized by the Managing Member in good faith.

Section 5.7 Standards of Conduct and Modification of Duties of the Managing Member. Notwithstanding anything to the contrary herein or under any applicable law, including, without limitation, Section 18 1101(c) of the Delaware Act, the Managing Member, in exercising its rights hereunder in its capacity as the managing member of the Company, shall be entitled to consider only such interests and factors as it desires, including its own interests, and shall have no duty or obligation (fiduciary or otherwise) to give any consideration to any interest of or factors affecting the Company, any Series or any Economic Members, and shall not be subject to any other or different standards imposed by this Agreement, any other agreement contemplated hereby, under the Delaware Act or under any other applicable law or in equity. The Managing Member shall not have any duty (including any fiduciary duty) to the Company, any Series, the Economic Members or any other Person, including any fiduciary duty associated with self-dealing or corporate opportunities, all of which are hereby expressly waived. This Section shall not in any way reduce or otherwise limit the specific obligations of the Managing Member expressly provided in this Agreement or in any other agreement with the Company or any Series.

Section 5.8 Reliance by Third Parties. Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Company or any Series shall be entitled to assume that the Managing Member and any Officer of the Company or any Series has full power and authority to encumber, sell or otherwise use in any manner any and all assets of the Company or such Series and to enter into any contracts on behalf of the Company or such Series, and such Person shall be entitled to deal with the Managing Member or any Officer as if it were the Company's or such Series sole party in interest, both legally and beneficially. Each Economic Member hereby waives, to the fullest extent permitted by law, any and all defenses or other

remedies that may be available against such Person to contest, negate or disaffirm any action of the Managing Member or any Officer in connection with any such dealing. In no event shall any Person dealing with the Managing Member or any Officer or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the Managing Member or any Officer or its representatives. Each and every certificate, document or other instrument executed on behalf of the Company or any Series by the Managing Member or any Officer or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (a) at the time of the execution and delivery of such certificate, document or instrument, this Agreement were in full force and effect, (b) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Company or any Series and (c) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Company or the applicable Series.

Section 5.9 Certain Conflicts of Interest. The resolution of any Conflict of Interest approved by the Advisory Board shall be conclusively deemed to be fair and reasonable to the Company and the Members and not a breach of any duty hereunder at law, in equity or otherwise.

Section 5.10 Appointment of the Asset Manager. The Managing Member exercises ultimate authority over the Series Assets. Pursuant to Section 5.3, the Managing Member has the right to delegate its responsibilities under this Agreement in respect of the management of the Series Assets. The Managing Member has agreed on behalf of the Company to appoint the Asset Manager to manage the Series Assets on a discretionary basis, and to exercise, to the exclusion of the Managing Member (but under the supervision and authority of the Managing Member), all the powers, rights and discretions conferred on the Managing Member in respect of the Series Assets and, the Managing Member on behalf of each Series, will enter into an Asset Management Agreement pursuant to which the Asset Manager is formally appointed to manage the Series Assets. The consideration payable to the Asset Manager for managing the Series Assets will be the Management Fee.

The Managing Member, in its sole discretion, may impose a reasonable rate of interest (a rate no less than the Applicable Federal Rate (as defined in the Code)) on any Operating Expenses Reimbursement Obligation. The Operating Expenses Reimbursement Obligation(s) shall become repayable when cash becomes available for such purpose in accordance with ARTICLE VII.

Section 6.4 Allocation of Expenses. Any Brokerage Fee, Offering Expenses, Acquisition Expenses, Sourcing Fee and Operating Expenses shall be allocated by the Managing Member in accordance with the Allocation Policy.

Subject to the terms of any Series Designation (including, without limitation, the preferential rights, if any, of holders of any other class of Interests of the applicable Series), distributions shall be paid to the holders of the Interests of a Series on an equal per Interest basis as of the Record Date selected by the Managing Member. (c) Each distribution in respect of any Interests of a Series shall be paid by the Company, directly or through any other Person or agent, only to the Record Holder of such Interests as of the Record Date set for such distribution. For the avoidance of doubt, except as may be required pursuant to Article X, a Member shall only have access to the information (including any Series Designation) referenced with respect to any Series in which such Member has an Interest and not to any Series in which such Member does not have an Interest.

(c) Except as otherwise set forth in the applicable Series Designation, within 120 calendar days after the end of the fiscal year and 90 calendar days after the end of the semi-annual reporting date, the Managing Member shall use its commercially reasonable efforts to circulate to each Economic Member electronically by e-mail or made available via an online platform:

The Managing Member and the Officers may rely and shall be protected in relying on any notice or other document from an Economic Member or other Person if believed by it to be genuine.

Section 15.2 Further Action. The parties to this Agreement shall execute and deliver all documents, provide all information and take or refrain from taking action as may be necessary or appropriate to achieve the purposes of this Agreement.

Section 15.3 Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their heirs, executors, administrators, successors, legal representatives and permitted assigns.

Section 15.4 Integration. This Agreement, together with the applicable Form of Adherence and Asset Management Agreement and any applicable Series Designation, constitutes the entire agreement among the parties hereto pertaining to the subject matter hereof and supersedes all prior agreements and understandings pertaining thereto.

Section 15.5 Creditors. None of the provisions of this Agreement shall be for the benefit of, or shall be enforceable by, any creditor of the Company or any Series.

Section 15.6 Waiver. No failure by any party to insist upon the strict performance of any covenant, duty, agreement or condition of this Agreement or to exercise any right or remedy consequent upon a breach thereof shall constitute waiver of any such breach of any other covenant, duty, agreement or condition.

Section 15.7 Counterparts. This Agreement may be executed in counterparts, all of which together shall constitute an agreement binding on all the parties hereto, notwithstanding that all such parties are not signatories to the original or the same counterpart. Each party shall become bound by this Agreement immediately upon affixing its signature hereto (which signature may be provided electronically) or, in the case of a Person acquiring an Interest, upon acceptance of its Form of Adherence.

Section 15.8 Applicable Law and Jurisdiction.

(a) This Agreement and the rights of the parties shall be governed by and construed in accordance with the laws of the State of Delaware. Non-contractual obligations (if any) arising out of or in connection with this agreement (including its formation) shall also be governed by the laws of the State of Delaware. The rights and liabilities of the Members in the Company and each Series and as between them shall be determined pursuant to the Delaware Act and this Agreement. To the extent the rights or obligations of any Member are different by reason of any provision of this Agreement than they would otherwise be under the Delaware Act in the absence of any such provision, or even if this Agreement is inconsistent with the Delaware Act, this Agreement shall control, except to the extent the Delaware Act prohibits any particular provision of the Delaware Act to be waived or modified by the Members, in which event any contrary provisions hereof shall be valid to the maximum extent permitted under the Delaware Act.

(b) To the fullest extent permitted by applicable law, any suit, action or proceeding seeking to enforce any provision of, or based on any matter arising out of or in connection with this Agreement, or the transactions contemplated hereby shall be brought in Chancery Court in the State of Delaware and each Member hereby consents to the exclusive jurisdiction of the Chancery Court in the State of Delaware (and of the appropriate appellate courts therefrom) in any suit, action or proceeding, and irrevocably waives, to the fullest extent permitted by applicable law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such court or that any such suit, action or proceeding which is brought in any such court has been brought in an inconvenient forum. To the fullest extent permitted by applicable law, each Member hereby waives the right to commence an action, suit or proceeding seeking to enforce any provisions of, or based on any matter arising out of or in connection with this Agreement, or the transactions contemplated hereby or thereby in any court outside of the Chancery Court in the State of Delaware except to the extent otherwise explicitly provided herein. The provisions of this Section 15.8(b) shall not be applicable to an action, suit or proceeding to the extent it pertains to a matter as to which the claims are exclusively vested in the jurisdiction of a court or forum other than the Court of Chancery of the State of Delaware, or if the Chancery Court in the State of Delaware does not have jurisdiction over such matter. The Company acknowledges for the avoidance of doubt that this Section 15.8(b) shall not apply to claims arising under the Securities Act and the Exchange Act, and by agreeing to the provisions of this Section 15.8(b), each Member will not be deemed

to have waived compliance with U.S. federal securities laws and the rules and regulations promulgated thereunder. (c) Process in any suit, action or proceeding may be served on any party anywhere in the world, whether within or without the jurisdiction of any court. Without limiting the foregoing, each party agrees that service of process on such party by written notice pursuant to Section 11.1 will be deemed effective service of process on such party.

(d) TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, EVERY PARTY TO THIS AGREEMENT AND ANY OTHER PERSON WHO BECOMES A MEMBER OR HAS RIGHTS AS AN ASSIGNEE OF ANY PORTION OF ANY MEMBERS MEMBERSHIP INTEREST HEREBY WAIVES ANY RIGHT TO A JURY TRIAL AS TO ANY MATTER UNDER THIS AGREEMENT OR IN ANY OTHER WAY RELATING TO THE COMPANY OR THE RELATIONS UNDER THIS AGREEMENT OR OTHERWISE AS TO THE COMPANY AS BETWEEN OR AMONG ANY SAID PERSONS. NOTWITHSTANDING THE ABOVE, THE FOREGOING WAIVER OF THE RIGHT TO A JURY TRIAL DOES NOT APPLY TO CLAIMS ARISING UNDER THE SECURITIES ACT AND THE EXCHANGE ACT.

Section 15.9 Invalidation of Provisions. If any provision of this Agreement is or becomes invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not be affected thereby.

Section 15.10 Consent of Members. Each Member hereby expressly consents and agrees that, whenever in this Agreement it is specified that an action may be taken upon the affirmative vote or consent of less than all of the Members, such action may be so taken upon the concurrence of less than all of the Members and each Member shall be bound by the results of such action.

RSE Archive Manager, LLC, as managing member of RSE Archive, LLC
250 Lafayette Street, 3rd Floor
New York, NY 10012

Ladies and Gentlemen:

1. Subscription. The person named on the front of this subscription agreement (the “Purchaser”) (this “Subscription Agreement”), intending to be legally bound, hereby irrevocably agrees to purchase from Series #SPIDER1, a series of RSE Archive, LLC, a Delaware series limited liability company (the “Company”), the number of Series #SPIDER1 Interests (the “Series #SPIDER1 Interests”) set forth on the front of this Subscription Agreement at a purchase price of \$22.00 (USD) per Series #SPIDER1 Interest and on the terms and conditions of the Operating Agreement governing the Company dated on or around the date of acceptance of this subscription by RSE Archive Manager, LLC, the managing member of the Company (the “Manager”), as amended and restated from time to time (the “Operating Agreement”), a copy of which the Purchaser has received and read.

This subscription is submitted by the Purchaser in accordance with and subject to the terms and conditions described in this Subscription Agreement, relating to the exempt offering by the Company of up to 1,000 Series #SPIDER1 Interests for maximum aggregate gross proceeds of \$22,000 (the “Offering”), unless further Series #SPIDER1 Interests are issued by the Company in accordance with the terms of the Operating Agreement.

Upon the basis of the representations and warranties, and subject to the terms and conditions, set forth herein, the Company agrees to issue and sell the Series #SPIDER1 Interests to the Purchaser on the date the Offering is closed (the “Closing”) for the aggregate purchase price set forth on the front page hereto (the “Subscription Price”).

2. Payment. Concurrent with the execution hereof, the Purchaser authorizes (i) Atlantic Capital Bank (the “Escrow Agent”) as escrow agent for the Company, to request the Subscription Price from the Purchaser’s bank (details of which are set out in the “Payment Details” section above) or (ii) the transfer of funds in an amount equal to the Subscription Price from the Purchaser’s bank account into the escrow account through the payment services of a payment services provider, integrated with the mobile app-based investment platform called Rally Rd.TM (or its successor platform) operated by the Manager or its affiliates. The Company shall cause the Escrow Agent to maintain all such funds for the Purchaser’s benefit in a segregated non-interest-bearing account until the earliest to occur of: (i) the Closing, (ii) the rejection of such subscription or (iii) the termination of the Offering by the Manager in its sole discretion.

3. Termination of Offering or Rejection of Subscription.

3.1 In the event that (a) the Company does not effect the Closing on or before the date which is one year from the Offering being qualified by the U.S. Securities and Exchange Commission (the “SEC”), which period may be extended for an additional six months by the Manager in its sole discretion, or (b) the Offering is terminated by the Manager in its sole discretion, the Company will cause the Escrow Agent to refund the Subscription Price paid by the Purchaser, without deduction, offset or interest accrued thereon and this Subscription Agreement shall thereafter be of no further force or effect.

3.2 The Purchaser understands and agrees that the Manager, in its sole discretion, reserves the right to accept or reject this or any other subscription for Series #SPIDER1 Interests, in whole or in part, and for any reason or no reason, notwithstanding prior receipt by the Purchaser of notice of acceptance of this subscription. If the Manager rejects a subscription, either in whole or in part (which decision is in its sole discretion), the Manager shall cause the Escrow Agent to return the rejected Subscription Price or the rejected portion thereof to the Purchaser without deduction, offset or interest accrued thereon. If this subscription is rejected in whole this Subscription Agreement shall thereafter be of no further force or effect. If this subscription is rejected in part, this Subscription Agreement will continue in full force and effect to the extent this subscription was accepted.

4. Acceptance of Subscription. At the Closing, if the Manager accepts this subscription in whole or in part, the Company shall execute and deliver to the Purchaser a counterpart executed copy of this Subscription Agreement and cause the Escrow Agent to release the Subscription Price (or applicable portion thereof if such subscription is only accepted in part) to the Company for the benefit of Series #SPIDER1. (b) The offering and sale of the Series #SPIDER1 Interests has not been registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws. The Purchaser understands that the offering and sale of the Series #SPIDER1 Interests is intended to be exempt from registration under the Securities Act, by virtue of Tier 2 of Regulation A thereof, based, in part, upon the representations, warranties and agreements of the Purchaser contained in this Subscription Agreement, including, without limitation, the investor qualification ("Investor Qualification and Attestation") immediately following the signature page of this Subscription Agreement. (k) The Purchaser has adequate means of providing for such Purchaser's current financial needs and foreseeable contingencies and has no need for liquidity of its investment in the Series #SPIDER1 Interests for an indefinite period of time.

The execution and delivery of this Subscription Agreement will not violate or be in conflict with any order, judgment, injunction, agreement or controlling document to which the Purchaser is a party or by which it is bound.

(m) Any power of attorney of the Purchaser granted in favor of the Manager contained in the Operating Agreement has been executed by the Purchaser in compliance with the laws of the state, province or jurisdiction in which such agreements were executed.

(n) If an entity, the Purchaser has its principal place of business or, if a natural person, the Purchaser has its primary residence, in the jurisdiction (state and/or country) set forth in the “Investor Qualification and Attestation” section of this Subscription Agreement. The Purchase first learned of the offer and sale of the Series #SPIDER1 Interests in the state listed in the “Investor Qualification and Attestation” section of this Subscription Agreement, and the Purchaser intends that the securities laws of that state shall govern the purchase of the Purchaser’s Series #SPIDER1 Interests.

(p) Any information which the Purchaser has heretofore furnished or is furnishing herewith to the Company is true, complete and accurate and may be relied upon by the Manager, the Company and the BOR, in particular, in determining the availability of an exemption from registration under federal and state securities laws in connection with the Offering. The Purchaser further represents and warrants that it will notify and supply corrective information to the Company immediately upon the occurrence of any change therein occurring prior to the Company's issuance of the Series #SPIDER1 Interests.

(q) The Purchaser is not, nor is it acting on behalf of, a "benefit plan investor" within the meaning of 29 C.F.R. § 2510.3-101(f)(2), as modified by Section 3(42) of the Employee Retirement Income Security Act of 1974 (such regulation, the "Plan Asset Regulation", and a benefit plan investor described in the Plan Asset Regulation, a "Benefit Plan Investor"). For the avoidance of doubt, the term Benefit Plan Investor includes all employee benefit plans subject to Part 4, Subtitle B, Title I of ERISA, any plan to which Section 4975 of the Code applies and any entity, including any insurance company general account, whose underlying assets constitute "plan assets", as defined under the Plan Asset Regulation, by reason of a Benefit Plan Investor's investment in such entity.

(r) The Purchaser is satisfied that the Purchaser has received adequate information with respect to all matters which it or its advisors, if any, consider material to its decision to make this investment.

(s) Within five (5) days after receipt of a written request from the Manager, the Purchaser will provide such information and deliver such documents as may reasonably be necessary to comply with any and all laws and ordinances to which the Company is subject.

(t) THE SERIES #SPIDER1 INTERESTS OFFERED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT, OR ANY STATE SECURITIES LAWS AND ARE BEING OFFERED AND SOLD IN RELIANCE ON EXEMPTIONS FROM THE REGISTRATION REQUIREMENTS OF SAID ACT AND SUCH LAWS. THE SERIES #SPIDER1 INTERESTS ARE SUBJECT TO RESTRICTIONS ON TRANSFERABILITY AND RESALE AND MAY NOT BE TRANSFERRED OR RESOLD EXCEPT AS PERMITTED BY THE OPERATING AGREEMENT. THE SERIES #SPIDER1 INTERESTS HAVE NOT BEEN APPROVED OR DISAPPROVED BY THE SEC, ANY STATE SECURITIES COMMISSION OR ANY OTHER REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THIS OFFERING OR THE ACCURACY OR ADEQUACY OF THE MEMORANDUM OR THIS SUBSCRIPTION AGREEMENT. ANY REPRESENTATION TO THE CONTRARY IS UNLAWFUL.

(u) The Purchaser should check the Office of Foreign Assets Control ("OFAC") website at <http://www.treas.gov/ofac> before making the following representations. The Purchaser represents that the amounts invested by it in the Company in the Offering were not and are not directly or indirectly derived from activities that contravene federal, state or international laws and regulations, including anti-money laundering laws and regulations. Federal regulations and Executive Orders administered by OFAC prohibit, among other things, the engagement in transactions with, and the provision of services to, certain foreign countries, territories, entities and individuals. The lists of OFAC prohibited countries, territories, persons and entities can be found on the OFAC website at <http://www.treas.gov/ofac>. In addition, the programs administered by OFAC (the "OFAC Programs") prohibit dealing with individuals, including specially designated

nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs, or entities in certain countries regardless of whether such individuals or entities appear on the OFAC lists. Furthermore, to the best of the Purchaser's knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a country, territory, individual or entity named on an OFAC list, or a person or entity prohibited under the OFAC Programs. Please be advised that the Company may not accept any amounts from a prospective investor if such prospective investor cannot make the representation set forth in the preceding paragraph. The Purchaser agrees to promptly notify the Company should the Purchaser become aware of any change in the information set forth in these representations. The Purchaser understands and acknowledges that, by law, the Company may be obligated to "freeze the account" of the Purchaser, either by prohibiting additional subscriptions from the Purchaser, declining any redemption requests and/or segregating the assets in the account in compliance with governmental regulations, and the Company may also be required to report such action and to disclose the Purchaser's identity to OFAC. The Purchaser further acknowledges that the Company may, by written notice to the Purchaser, suspend the redemption rights, if any, of the Purchaser if the Company reasonably deems it necessary to do so to comply with anti-money laundering regulations applicable to the Company or any of the Company's other service providers. These individuals include specially designated nationals, specially designated narcotics traffickers and other parties subject to OFAC sanctions and embargo programs.

(v) To the best of the Purchaser's knowledge, none of: (1) the Purchaser; (2) any person controlling or controlled by the Purchaser; (3) if the Purchaser is a privately-held entity, any person having a beneficial interest in the Purchaser; or (4) any person for whom the Purchaser is acting as agent or nominee in connection with this investment is a senior foreign political figure, or an immediate family member or close associate of a senior foreign political figure. A "senior foreign political figure" is a senior official in the executive, legislative, administrative, military or judicial branches of a foreign government (whether elected or not), a senior official of a major foreign political party, or a senior executive of a foreign government-owned corporation. In addition, a "senior foreign political figure" includes any corporation, business or other entity that has been formed by, or for the benefit of, a senior foreign political figure. "Immediate family" of a senior foreign political figure typically includes the figure's parents, siblings, spouse, children and in-laws. A "close associate" of a senior foreign political figure is a person who is widely and publicly known to maintain an unusually close relationship with the senior foreign political figure, and includes a person who is in a position to conduct substantial domestic and international financial transactions on behalf of the senior foreign political figure.

(w) If the Purchaser is affiliated with a non-U.S. banking institution (a "Foreign Bank"), or if the Purchaser receives deposits from, makes payments on behalf of, or handles other financial transactions related to a Foreign Bank, the Purchaser represents and warrants to the Company that: (1) the Foreign Bank has a fixed address, other than solely an electronic address, in a country in which the Foreign Bank is authorized to conduct banking activities; (2) the Foreign Bank maintains operating records related to its banking activities; (3) the Foreign Bank is subject to inspection by the banking authority that licensed the Foreign Bank to conduct banking activities; and (4) the Foreign Bank does not provide banking services to any other Foreign Bank that does not have a physical presence in any country and that is not a regulated affiliate.

(x) Each of the representations and warranties of the parties hereto set forth in this Section 5 and made as of the date hereof shall be true and accurate as of the Closing applicable to the subscription made hereby as if made on and as of the date of such Closing.

6. Indemnification. The Purchaser agrees to indemnify and hold harmless the Company, Series #SPIDER1, the Manager and their respective officers, directors, employees, agents, members, partners, control persons and affiliates (each of which shall be deemed third party beneficiaries hereof) from and against all losses, liabilities, claims, damages, costs, fees and expenses whatsoever (including, but not limited to, any and all expenses incurred in investigating, preparing or defending against any litigation commenced or threatened) based upon or arising out of any actual or alleged false acknowledgment, representation or warranty, or misrepresentation or omission to state a material fact, or breach by the Purchaser of any covenant or agreement made by the Purchaser herein or in any other document delivered in connection with this Subscription Agreement. Notwithstanding the foregoing, no representation, warranty, covenant or acknowledgment made herein by the Purchaser shall be deemed to constitute a waiver of any rights granted to it under the Securities Act or state securities laws.

7. Irrevocability; Binding Effect. The Purchaser hereby acknowledges and agrees that the subscription hereunder is irrevocable by the Purchaser, except as required by applicable law, and that this Subscription Agreement shall survive the death or disability of the Purchaser and shall be binding upon and inure to the benefit of the parties and their heirs, executors, administrators, successors, legal representatives, and permitted assigns. If the Purchaser is more than one person, the obligations of the Purchaser hereunder shall be joint and several and the agreements, representations, warranties, and acknowledgments herein shall be deemed to be made by and be binding upon each such person and such person's heirs, executors, administrators, successors, legal representatives, and permitted assigns.

8. Modification. This Subscription Agreement shall not be modified or waived except by an instrument in writing signed by the party against whom any such modification or waiver is sought.

9. Assignability. This Subscription Agreement and the rights, interests and obligations hereunder are not transferable or assignable by the Purchaser and the transfer or assignment of the Series #SPIDER1 Interests shall be made only in accordance with all applicable laws and the Operating Agreement. Any assignment contrary to the terms hereof shall be null and void and of no force or effect.

10. Lock-up Period. Following the Closing of the Offering for Series #SPIDER1, the Purchaser agrees not to transfer its Series #SPIDER1 Interests for a 90-day lock-up period after the Closing before the Series #SPIDER1 Interests may be transferred by any investor, which transfer shall be in compliance with applicable laws and the Operating Agreement.

11. Applicable Law and Exclusive Jurisdiction. This Subscription Agreement and the rights and obligations of the Purchaser arising out of or in connection with this Subscription Agreement, the Operating Agreement and the Offering Circular shall be construed in accordance with and governed by the internal laws of the State of Delaware without regard to principles of conflict of laws. The Purchaser (i) irrevocably submits to the non-exclusive jurisdiction and venue of the Court of Chancery of the State of Delaware in any action arising out of this Subscription Agreement and the Operating Agreement, except where Federal law requires that certain claims be brought in Federal courts, and (ii) consents to the service of process by mail. Notwithstanding any of the foregoing to the contrary, the Company acknowledges for the avoidance of doubt that this Section 11 shall not apply to claims arising under the Securities Act and the Exchange Act, and by agreeing to the provisions of this Section 11, the Purchaser will not be deemed to have waived compliance with U.S. federal securities laws and the rules and regulations promulgated thereunder.

12. Use of Pronouns. All pronouns and any variations thereof used herein shall be deemed to refer to the masculine, feminine, neuter, singular or plural as the identity of the person or persons referred to may require.

13. Miscellaneous.

13.1 Sections 15.1 (Addresses and Notices), 15.2 (Further Action) and 15.8 (Applicable Law and Jurisdiction) of the Operating Agreement are deemed incorporated into this Subscription Agreement.

13.2 This Subscription Agreement, together with the Operating Agreement, constitutes the entire agreement between the Purchaser and the Company with respect to the subject matter hereof and supersedes all prior oral or written agreements and understandings, if any, relating to the subject matter hereof. The terms and provisions of this Subscription Agreement may be waived, or consent for the departure therefrom granted, only by a written document executed by the party entitled to the benefits of such terms or provisions.

13.3 The covenants, agreements, representations and warranties of the Company and the Purchaser made, and the indemnification rights provided for, in this Subscription Agreement shall survive the execution and delivery hereof and delivery of the Series #SPIDER1 Interests, regardless of any investigation made by or on behalf of any party, and shall survive delivery of any payment for the Subscription Price.

13.4 Except to the extent otherwise described in the Offering Circular, each of the parties hereto shall pay its own fees and expenses (including the fees of any attorneys, accountants or others engaged by such party) in connection with this Subscription Agreement and the transactions contemplated hereby whether or not the transactions contemplated hereby are consummated.

13.5 This Subscription Agreement may be executed in one or more counterparts each of which shall be deemed an original (including signatures sent by facsimile transmission or by email transmission of a PDF scanned document or other electronic signature), but all of which shall together constitute one and the same instrument.

13.6 Each provision of this Subscription Agreement shall be considered separable and, if for any reason any provision or provisions hereof are determined to be invalid or contrary to applicable law, such invalidity or illegality shall not impair the operation of or affect the remaining portions of this Subscription Agreement.

13.7 Paragraph titles are for descriptive purposes only and shall not control or alter the meaning of this Subscription Agreement as set forth in the text.

13.8 Words and expressions which are used but not defined in this Subscription Agreement shall have the meanings given to them in the Operating Agreement.
